Please use the following pages for more detailed comments to the author and the editors.

Reviewer Blind Comments to Author:

Please use this page to include specific, detailed comments regarding the originality, scientific quality, methodology, relevance to the field of this journal, and presentation. Check the need for tables and figures, and the adequacy of the references.

Note that the authors will receive a copy of these specific comments, and a thorough evaluation of the paper is most helpful for the identification of the work's strengths and weaknesses, especially when a revision is necessary. Please be as specific as possible, and indicate why a paper is (un)acceptable and what is required to make it acceptable. Authors especially appreciate it if you cite references supporting your comments.

Reviewer Confidential Comments to Editors:

Please use this page to include any confidential comments you wish to make. Make sure that these are consistent with your comments to the author.

Please return your report before the deadline assigned by the editors. If you are not able to meet the deadline, please contact us at sic.journal.contact@gmail.com .
