ADDITONAL IMPORTANT WARNING TO AUTHORS FOR JOURNAL METALURGIJA

This is an “Abstract” from “Instructions to the authors” to serve as an additional important warning to authors/co-authors on how to prepare articles for publication in Metalurgija journal.

1. The papers must be prepared using the proper standard English language. Name and address of the responsible translator (or language lecturer) to be indicated at the end of the article as a Note.

2. The papers should be limited max. 10 (11) typewritten pages A4 (or about 18 000 - 19 800 characters: 1 A4 = 18 000 characters); illustrations are included (figures and tables). The text should be written in MS Word with letters Times New Roman, characters’ size 12. Papers should be written in 3rd person, according to the legal standards and INDOM-standards.

3. Authors are obliged to write metrologically correctly, using appropriate terminology. The application of SI-units is obligatory. For all applied physical characteristics and factors it is necessary to enclose their list containing names and coherent SI-units.

4. The title and abstract (max. 110 - 120 words) and key words (max. 5 words) should be separately enclosed.

5. UDC (Universal decimal classification) is obligatory for the paper.

6. Symbols of physical values should be written in capital and small italics and numerical values in normal letters.

7. Diagrams must be prepared using appropriate program package e.g. Corel Draw. The size of the symbols should be selected so that after the expected reduction of the figure (on 8 cm) each of the capital letters is 2 mm high, model:

8. The tables must be prepared similarly, model:

<table>
<thead>
<tr>
<th>Alloy</th>
<th>Dimensions of ribbons</th>
<th>Chemical composition / mas. %</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Thickness / µm</td>
<td>Width / mm</td>
</tr>
<tr>
<td>Al - Fe</td>
<td>37 – 62</td>
<td>2,2</td>
</tr>
<tr>
<td>Cu - Fe</td>
<td>43 – 71</td>
<td>2,9</td>
</tr>
</tbody>
</table>

9. Generally the figures must be prepared similarly, model:

10. References should be numerated according to the sequence of appearance in the paper and the number of each reference inserted into the text in appropriate position using square brackets. The references must be cited according with the rules of Chemical Abstract (see also “Instructions to the Authors” in journal Metalurgija) and they are of recent date.

11. Papers should be submitted in two print copies and one electronic version on CD, the author’s address with first and the last name of all authors and e-mail should be included, to the address of Editorial Board:

10000 Zagreb, Berislavićeva 6, Croatia.

12. Articles not prepared in accordance with this Warning will not be officially accepted for further review and will not be returned to their authors. The outcome of their submissions the authors can see on the Website of Croatian Metallurgical Society.
