COURT CHRONICLE

Acquittal of criminal prosecution for the illicit possession of weapons and explosive substances
271
Analogy in favour of an offender 255
Application of a more lenient law in cases of fraud in economic operations 272

- Arranged self-defence 259
- Assault with a vehicle on a traffic policeman 272
- Awareness as a component part of mental incapacity and intent 266
- Causal nexus between aggravated bodily injuries and death of the victim 260
- Causality in cases of victim's contribution 259
- Coercion in road traffic 260
- Commission through another agent 263
- Command responsibility 257
- Community service 257
- Concurrently adjudicated aggravating and mitigating circumstances in the case of larceny 265
- Concurrently adjudicated criminal offences of counterfeiting and fraud 255
- Co-principals in a war crime 258
- Criminal responsibility of the responsible person in a legal entity when there is the consent of all the members of the entity. Consequence of there being an offence as an aggravating circumstance 257
- Culpable putative self-defence 260
- Distinction between "real" and "unreal" criminal offences committed by omission 258
- Distinction between attempt and completion in case of larceny 271
- Distinction between bringing into danger and infringement 258
- Distinction between mistake of person and mistake of circumstances which, had they actually existed, would have rendered the conduct lawful 258
- Distinction between mistake of person and mistake of circumstances which, had they actually existed, would have rendered the conduct lawful - one more time 258
- Distinction between preparatory actions and attempt 259
- Embezzlement of the object that was found - subsequently non-punishable offence 262
- Entrance in a person's dwelling as an urgent investigatory action 179
- Excess of co-principal. Act through another agent 265
- Exclusion of criminal law causality 259
- Executing an official duty as a ground for exclusion of unlawfulness 261
- Forgery of a "joined document". Distinction between preparatory actions and attempt in case of forgery of a document 268
- Forgery of a document as an insignificant offence 270
- Fraud by concluding action. Fraud as a criminal offence arising out of the same transaction 269
- Fraud committed through a game of chance. Critique of Article 224 Paragraphs 2 and 3 of the new Penal Code 264
- Inappropriate attempt of robbery 267
- Insult in a satirical newspaper article 264
- Intentional and negligent *actiones liberae in causa* 261
- Interpretation of features of the "use of narcotic drugs". Unity of action in selling narcotic drugs 267
- Issuing of an untrue veterinary certificate as a form of forgery of an official document 268
- Liability of a journalist for defamation 264
- Limits of self-defence in cases of the use of arms 260
- Mistake of unlawfulness and its dismissal 256
- Misuse of a credit card 262
- Money laundering 269
- Necessity - mistake of law 259
- Negligent homicide by an omission to act 269
- Non-assignability of strictly personal circumstances to accomplices 267

- Order from a private person as a reason for exclusion of unlawfulness. The relation between an armed rebellion and a war crime 264
- Pardon for a murder 269, 264
- Relation between accepting a bribe and abuse of office and official authority 67
- Relation between aggravated larceny and breaking into a personal vehicle 288
- Relation between aggravated murder from greed and robbery 256
- Robbery with a false weapon. Sentencing a minor to juvenile imprisonment 268
- Search and Seizure: Exclusionary Rules 179
- Self-defence in the case of un-proportionality between the good that was attacked and the good that was damaged 261
- Self-defence through application of protective measures 259
- Sexual act equivalent to sexual intercourse 271
- Suppression of a retroactive legal effect in cases of modification of characteristics of the criminal offence 270
- The application of a more lenient law in the case of the abolition of a forest-larceny criminal offence 265
- The application of a more lenient law in the case of an aggravated murder. A critique of the provision 267
- The application of a more lenient law in the case of a change of a security measure 266
- The application of a more lenient law in the case of a change of the features of a criminal offence 267
- The application of a more lenient law on the occasion of extraordinary judicial remedies and in the case of only the apparent abolition of a criminal offence 263
- The application of a more lenient law when a feature of a criminal offence is expressed in a pecuniary amount 260
- The notion of “dwelling” which requires a written search warrant 179
- The notion of force in the case of rape – liability for a graver consequence in the case of unlawful deprivation of freedom 262
- The relation between the kidnapping and the unlawful deprivation of liberty 263
- The right of a teacher to the physical punishing of pupils 259
- The scope of the inspection of the means of transportation, passengers and luggage as a measure of police inquiry 179
- Use of a counterfeited telephone card. Computer fraud 255
- Use of the records of the police authorities on the suspect’s statements given in the presence of a defence counsel (Art. 177. 6. ZKP/98) 238
- Voluntary abandonment. Punishing the independent criminal offence in the case of voluntary abandonment 266
- War crimes against the civilian population as a blank crime. Exclusion of the construction of the criminal offence arising out of the same transaction because of the temporal disconnection between particular acts 270
