We would like to know concerns, activities, and plans of each member association. Don't assume that everyone is as
informed as you are. If you want other communication researchers to know what your association is doing lately or
hoping to achieve, if you desire international presence at your national meetings, or if you have any international
plans—note a regional trend, suggest a project the Federation should undertake, or see a way to foster international
cooperation—write to us. We will do our best to make our many readers aware of it.
