CONTENTS

Aleksandar CUCULIĆ, Jasmin ĆELIĆ, Rene PRENC
Marine Diesel-generator Model for Voltage and Frequency Variation Analysis During Fault Scenarios (Preliminary communication) ..................11

Tin MATULJA, Marko HADJINA, Damir KOLIĆ
Shipyard Production Processes Re-Design Methodology Based on Expert Approach and Simulation Modeling (Original scientific paper) ................25

Goran BAKALAR, Vinko TOMAS
Possibility of Using Flow Cytometry in the Treated Ballast Water Quality Detection (Review) .................................................................43

Jelena ĆULIN, Toni BIELIĆ
Plastic Pollution from Ships (Review) ..................................................................57

Katarina IVANIĆ, Svjetlana HESS
Review of Technological Processes at the Container Terminal (Review) ........67

Renato OBLAK, Svjetlana HESS, Alen JUGOVIĆ
Inland Container Terminals in the Function of the Northern Adriatic Ports Enhanced Operation (Review) ............................................................85

Daniela GRAČAN
The Role of Strategic Management in the Cruising Tourism Market Offer (Review)......................................................................................103

Zrinka ZADEL
Beaches in the Function of Primary Resource of the Beach Tourism Product (Review)......................................................................................117

Sonja BRLEČIĆ VALČIĆ, Mira DIMITRIĆ, Martina DALSASO
Effective Project Management Tools for Modern Organizational Structures (Preliminary communication) ......................................................131
Jasmin ĆELIĆ, Aleksandar CUCULIĆ, Sanjin VALČIĆ
A Comparative Analysis of Maritime Universities Websites (Review) ..........147

Iva TUHTAN GRGIĆ
On Some Aspects of the Legal Status of Offshore Objects for Exploration and Exploitation of Hydrocarbons in the Republic of Croatia
(Original scientific paper) ........................................................................................................161

Instructions to authors ..................................................................................................................183
