 Please read carefully!
To start the editorial processing of your manuscript in the Sestrinski Glasnik/Nursing Journal [SG/NJ], we kindly ask you to fill out and sign a copy off his form and send it to the editorial office. You can also scan it and send it to the e-mail address of the editor in chief.

You should fill out the form in a text processor, scan it and send it to the e-mail address to the editor in chief (visnja.vicic-hudorovic@skole.hr), or to the editorial office (hums@hums.hr).

The signature will evidence the mutual understanding between the SG/NJ and the undersigned author on the rights and responsibilities of both parties in the process of the manuscript evaluation and its possible publication in the SG/NJ.

Authorship statement form is in accordance with a valid Publication Ethics and Malpractice Statement. For details please visit: http://journals.cambridge.org/action/stream?pageId=6728&level=2

[1] Authorship of submitted manuscripts

An author of a scientific article is considered to be someone who has made substantive contribution to the submitted work.

The SG/NJ strictly following recommendations of the International Committee of Medical Journal Editors (ICMJE) and subscribes to its Uniform Requirements for Manuscripts Submitted to biomedical Journals, including its authorship requirements (available at http://www.ICMJe.org/ethical_1author.html).

The SG/NJ requests the authors of submitted manuscripts to declare their contributions to the research described in the manuscript by answering the following question:

Why do you think you should be author on this manuscript?

Authors’ statements will be printed in the journal if your manuscript is accepted for publication.

If you have contributed directly to the intellectual content of this paper and have agreed to have your name listed as an author on the submitted version of the manuscript, please sign below.

**[2] License to publish**

The listed authors warrant that they are the authors and sole owners of the submitted manuscript. The authors also warrant that the work is original; that it has not been previously published in print or electronic format and is not under consideration by another publisher or electronic medium; that it has not been previously transferred, assigned, or otherwise encumbered; and that the authors have full power to grant such rights. With respect to the results of this work, the manuscript of this or substantially similar content will not be submitted to any other journal until the review process in the SG/NJ has been officially completed (acceptance or rejection of the manuscript).

The authors will comply with the requests of the SG/NJ editors and reviewers to improve the manuscript for publication. The unavoidable disagreements will be submitted in a written form; the authors are aware that the disagreement(s) with the SG/NJ requests may result in the rejection of the manuscript. The authors hereby grant to the SG/NJ the right to edit, revise, abridge, and condense the manuscript. I certify that I accept responsibility for the content of this article.
If the manuscript is accepted for publication in the SG/NJ, the authors hereby authorize the SG/NJ to publish their work in the journal. The authors permit the SG/NJ to allow third parties to copy any part of the journal without asking for permission, provided that the reference to the source is given by the rules and recommendations of ICMJ and that this is not done for commercial purposes.

[3] **Conflict of interest**

The SG/NJ asks all authors of submitted manuscripts to fill out the conflict of interest form created by the International Committee of Medical Journal Editors (ICMJE). The form is freely available at [http://www.icmje.org/coi_disclosure.pdf](http://www.icmje.org/coi_disclosure.pdf). Please go to this webpage, follow the instruction on how to fill out the form on-line, save it, and send by e-mail to the SG/NJ editorial office (hums@hums.hr), and to the Editor in Chief (visnjia.vicic-hudorovic@skole.hr). An example of a authorship form is available at [http://www.hums.hr/novi/index.php?option=com_content&view=article&id=21&Itemid=20](http://www.hums.hr/novi/index.php?option=com_content&view=article&id=21&Itemid=20) and [http://hrccak.srce.hr/sgnj](http://hrccak.srce.hr/sgnj).

I certify that I have disclosed all possible conflicts of interest in the disclosure form, and sent it to the SG/NJ.

**Date (M/d/yyyy):**

From now on, all reviewers, editors, section editors, Editorial Board members, included in the publication process will also be asked to disclose any potential conflict of interest regarding the manuscript they are asked to review (primarily relationships with the pharmaceutical industry).

[4] **Editorial research**

We are keen to better understand and improve editorial conduct, decision making, and issues related to peer review. Therefore, we occasionally take part in or conduct editorial research and your submitted manuscript might be used in such research. If you do not want your manuscript entered into such a study please let us know in a separate letter. Your decision to take part or not will have no effect on the editorial decision on your paper.
[5] PLAGIARISM DETECTION
Each manuscript is checked for plagiarism. We use CrossCheck software and deal with suspicious manuscripts following Committee on Publication Ethics (COPE). More information’s are available at: (http://publicationethics.org/resources/flowcharts).
