

## Summary

In this issue of Fontes we continue with publication of the annual reports from archives HR HDA 1220, There are reports grouped according to the regional affiliation, 21 reports from the area of the north-west Croatia and 19 reports from the Slavonian area, displayed in the paper. The Central Committee of the Croatian League of Communists. In previous issue we published five reports of the Croatian Communist Party Central Committee sent to the Central Committee of the Yugoslav Communist Party concerning its work on the territory of Croatia in the period from the middle of 1945 to the beginning of 1948. then, there's a mutual report of the District committee for Dalmatia and 26 reports of County and Local Committees from Istra and south-west Croatia about the work in the year 1947.

The reports are an answer to the circular (letter), in the beginning of 1948, by which the Central Committee of the Croatian Communist party asked from the Croatian Communist Party District Committee for Dalmatia and from all town and county committees, a condensed report of the work in the year 1947. The annual report was supposed to provide a common evaluation of the condition, as well as the analysis of political, organization and economic measures in the Committees during 1947, according to the individual areas of activity:

- I. The review of the political situation in county, that is, town
- II. Economic problems
- III. The condition in cooperative
- IV. The nourishment of the population
- V. The elevation of the people's cultural level
- VI. The situation inside the Party
- VII. The politics of cadres

The documents were selected and arranged by the archivists of the Croatian State Archives from the Department for the political parties and associations: Marijana Jukić and Marina Škalić
