

Summary

HRVATSKI SOKOL SOCIETY AND ITS WORK UNTIL 1914 IN KRIŽEVCI

The text is about the activities of the *Hrvatski sokol society* in Križevci, from its beginnings up to 1914, when the activities decreased greatly, but didn't end. The text is based on investigating the society's session minutes, as well as exhaustive material about Sokol and its work, which can be found in the inheritance of dr Fran Gundrum Oriovčanin in the Križevci town museum.

A shorter text on Sokol, by the same author, was published in *Kaj* (2/1997).
