

VJEKOSLAV JEROLIMOV, D.D. S., Ph.D., D., dekan Stomatološkog fakulteta, rođen je 29. ožujka 1945. u Osijeku. Osmogodišnju školu i gimnaziju, kao i nižu i srednju muzičku školu, pohađao je u Zadru. Diplomirao je na Stomatološkom fakultetu Sveučilišta u Zagrebu 1968. godine. Nakon vojnoga roka i liječničkoga staža, godine 1970. izabran je za asistenta na Stomatološkom fakultetu u Zagrebu. Magistar bioloških znanosti postaje godine 1974. Iste godine polaže specijalistički ispit iz stomatološke protetike. Godine 1978. postaje magistar stomatoloških znanosti, a doktor medicinskih znanosti postaje 1983. godine. U zvanje primarijusa izabran je 1985. godine, a redovitim profesorom postaje 1993.

Vrlo je aktivan u dodiplomskoj i poslijediplomskoj nastavi. Pod njegovim mentorstvom izrađeni su mnogi diplomski radovi, šest magistarskih radova, a tri su disertacije u završnoj fazi.

Bio je predstojnik Zavoda za mobilnu protetiku, a u tri je mandata bio i prodekan Stomatološkog fakulteta u Zagrebu. Ima više od 80 objavljenih znanstvenih i stručnih radova, od kojih neki s CC i SCI prepoznatljivošću. Sudjeluje u znanstvenim projektima, suautor je dviju knjiga, te recenzent jednog udžbenika.

Posjetio je mnoga sveučilišta u svijetu, bio je sudionikom niza kongresa i stručnih skupova, a na nekima i vodio znanstvene sjednice. Od godine 1981. svake godine po mjesec dana boravi u Cardiffu, V. Britanija, u Dental School University of Wales College of Medicine radi zajedničkoga znanstveno - istraživačkoga rada.

Član je više domaćih i međunarodnih stručnih udruga. Predsjednik je Hrvatskog stomatološkog društva, član skupštine Svjetske stomatološke federacije, i član povjerenstva Europske regionalne organizacije Svjetske stomatološke federacije za ekvivalenciju diploma europskih stomatoloških studija. Suosnivač je Hrvatske stomatološke komore i član je Upravnoga vijeća Komore.

Predstavnik je Hrvatskoga društva za stomatološku protetiku u Europskom protetskom društvu i član upravnih tijela toga društva. Član je povjerenstva za dodjelu European Dental Research Award, koju dodjeljuje Europska regionalna organizacija Svjetske stomatološke federacije. Organizirao je više stručnih i znanstvenih skupova, a treba osobito istaknuti 1. međunarodni kongres za stomatološku protetiku Jugoslavije 1986. u Zagrebu,

VJEKOSLAV JEROLIMOV, D.D. S., Ph.D., Dean of the School of Dental Medicine University of Zagreb. Born in 1945 in Osijek. He finished primary, secondary and music school in Zadar, and graduated from the School of Dental Medicine in Zagreb in 1968. After Army Service and medical practice, he was elected Assistant at the School of Dental Medicine University of Zagreb in 1970. He obtained an M.Sc. in biology in 1974 and the same year passed the specialization examination in Dental Prosthetics. In 1978 he obtained an M.Sc in dental medicine and a Ph.D. in 1983. He was elected primarius in 1985 and Professor in 1993.

Prof. Jerolimov is actively involved in undergraduate and postgraduate teaching. Under his mentorship many graduate theses have been completed and six Master of Science Theses. Three dissertations are in the final stages. He was Head of the Department for Mobile Prosthetics and Vice-Dean at the School of Dental Medicine University of Zagreb for three terms. He has published more than 80 scientific and professional papers, some of which have been cited in CC and SCI. He is a co-investigator in scientific projects, and co-author for two books and reviewer of one textbook. He has visited many universities in the world and participated in numerous congresses and professional meetings, some of which he chaired. Every year, since 1981, he spends one month in the Dental School University of Wales College of Medicine, Cardiff, U.K., working on a joint scientific-research project. He is a member of several Croatian and international professional associations. He is Chairman of the Croatian Dental Society and a member of the World Dental Federation Assembly, and a member of the Commission of the European Regional Organization of the World Dental Federation for equivalency of the diplomas for European Schools of Dental Medicine. He is a co-founder of the Croatian Dental Medicine Chamber, and a member of the Administrative Chamber Committee. He is a representative of the Croatian Prosthodontics Society at the European Prosthodontics Society and a member of the administrative body of the same association. He is member of the Committee for the European Dental Research Award which is awarded by the European Regional Organization of the World Dental Federation. He has organized several
