

GORAN KNEŽEVIĆ, D.D.S., Ph.D., redoviti profesor oralne kirurgije Stomatološkog fakulteta u Zagrebu, rođen je 1944. u Zagrebu gdje je godine 1963. maturirao na Klasičnoj gimnaziji. Po nacionalnosti je Hrvat.

Stomatološki fakultet Sveučilišta u Zagrebu završio je 1968. Cijeli radni staž proveo je na Stomatološkom fakultetu u Zagrebu radeći od 1970. najprije kao asistent, zatim od 1984. kao docent, od 1988. kao izvanredni profesor, a od 1991. kao redoviti profesor. Specijalizaciju iz oralne kirurgije završio je 1974., a to vrijeme tri je mjeseca boravio u Bologni kao stipendist talijanske vlade. Doktorsku disertaciju obranio je 1983. Dvije godine obnašao je dužnost predstojnika Zavoda za oralnu kirurgiju.

Član je Hrvatskoga stomatološkog društva Hrvatskoga liječničkog zbora, redoviti je član Hrvatske akademije medicinskih znanosti, International Association for Maxillofacial Surgery od 1989. do 1991. i International Association for Dento Maxillo Facial Radiology od 1994. te Udruge za oralnu kirurgiju Hrvatskoga liječničkog zbora.

Bavi se oralnom kirurgijom, a poseban interes pokazao je za područje odontogenih tumora i cista, giganocelularnih promjena čeljusti, endokrinoloških bolesti, a posebice hiperparatireoidizma. Objavio je stotinu znanstvenih i stručnih radova, nekoliko recenzija knjiga i poglavlje o Odontogenim tumorima u "Oralnoj kirurgiji" Miše Ive i suradnika. Pod njegovim mentorstvom obranjeno je desetak diplomskih radova u dodiplomskoj izobrazbi, a bio je mentorom i sedmorici kandidata u poslijediplomskoj izobrazbi, koji su obranili magistarske radove ili doktorske disertacije. Bio je na mnogim kongresima, simpozijima i stručnim skupovima u zemlji i svijetu od kojih se posebno ističu nastupi u Madridu, Singapuru, Ateni, Havani, Seulu, Oiti, Budimpešti itd. Održao je pozivna predavanja u Budimpešti i u Portlandu, Oregon. Bio je voditeljem nekoliko znanstveno-istraživačkih projekata na Zavodu za oralnu kirurgiju Fakulteta, a sada sudjeluje u provedbi projekta financiranog od Ministarstva znanosti. Godine 1995. dobio je diplomu gosta predavača na Stomatološkom fakultetu Oregon Health Sciences University

Od 1985. do 1989. bio je prodekan Stomatološkog fakulteta, a od 1989. do 1995. dekan. Sada obnaša dužnost prodekana za nastavu Fakulteta.

GORAN KNEŽEVIĆ, D.D.S., Ph.D., Professor of Oral Surgery at the School of Dental Medicine in Zagreb. Born in 1944 in Zagreb, where he completed his education, graduating from the High School in 1963. He is a Croat.

Prof. Knežević graduated from the School of Dental Medicine in Zagreb in 1968 and has worked at the School of Dental Medicine in Zagreb since 1970, first as an Assistant and from 1984 Assistant Professor, from 1988 Associate Professor and from 1991 Professor. He finished specialization in oral surgery in 1974, during which time he spent three months in Bologna as a fellow of the Italian Government. He defended his Doctoral dissertation in 1983 and was President of the Department for Oral Surgery for a period of two years. He is a member of the Croatian Dental Society, Croatian Medical Association and is a member of the Croatian Academy of Medical Sciences. From 1989 to 1991 he was a member of the International Association for Maxillofacial Surgery and from 1994 the International Association for Dento Maxillo Facial Radiology and the Society for Oral Surgery of the Croatian Medical Association.

Prof. Knežević is engaged in oral surgery, and he is particularly interested in odontogenic tumors and cysts, giant-cell lesions of jaws, endocrinologic diseases, and in particular hyperparathyroidism. He has published a hundred scientific and professional papers, several book reviews and the Chapter for the book *Odontogenic Tumors in Oral Surgery*, Miše I. et al. Under his mentorship ten undergraduate degree theses have been defended, seven Master of Science theses and doctoral dissertations. He has attended numerous congresses, symposiums and professional meetings both in Croatia and abroad: in Madrid, Singapore, Athens, Havana, Seoul, Oita, Budapešt and many others. He was an invited lecturer in Budapešt and Portland, Oregon. He has been the Principal Investigator of several scientific research projects at the Department for Oral Surgery of the School and is presently participating in the organization of a project financed by the Ministry of Science. In 1995 he received a diploma as a Visiting lecturer at the School of Dental Medicine, Oregon Health Sciences University.

---

Suorganizator je 1. svjetskoga kongresa hrvatskih stomatologa održanoga godine 1994. u Zagrebu. Bio je član Vijeća nakladnika *Acta Stomatologica Croatica* i Izdavačkog savjeta *Hrvatskoga stomatološkog vjesnika*. Postavši 1996. glavnim i odgovornim urednikom časopisa *Acta Stomatologica Croatica* postavio je cilj internacionalizacije toga časopisa prvenstvenom osobnom zadaćom i zadaćom Uređivačkoga kolegija.

*Prof. Knežević was Vice-Dean at the at the School of Dental Medicine from 1985 to 1989, and from 1989 to 1995 Dean. He is presently Vice-Dean for Teaching at the School. In 1994 he was co-organizer of the 1. World Congress of Croatian Dentists held in Zagreb. He has been a member of the Council of Publishers of the Acta Stomatologica Croatica and Publishing Council for the "Hrvatski stomatološki vjesnik". He has been elected Editor-in-Chief of the journal Acta Stomatologica Croatica and one of his objectives is the internationalization of the journal.*
