U početku radi kao docentica u Zavodu za maksilofacijalnu kirurgiju i stomatologiju Medicinskog sveučilišta Semmelweis i to od 1953. do 1970. Od 1974. do 1993. profesorica je i ravnateljica Zavoda za kariologiju i endodonciju istoga Sveučilišta. Od godine 1980.-1986., bila je dekanica te znamenite sveučilišne ustanove,

JOLÁN BÁNÓCZY, M.D., D.D.S., Ph.D., D.Sc., Professor and for many years Head of the Institute for Cariology and Endodontics, School of Dentistry, Medical University Semmelweis in Budapest, Hungary. She is Hungarian.

Prof. Bánóczy graduated from the School of Medicine in Budapest in 1953, and later the School of Dentistry, Medical University Semmelweis in Budapest in 1956. In 1970 she received her Ph.D. diploma at the Hungarian Academy of Science, and in 1978 a D.Sc. diploma at the same institution in Budapest. From 1953 to 1970 she worked as an Assistant Professor in the Institute for Maxillo-Facial Surgery and Dentistry, Semmelweis University of Medicine, Budapest. From 1974 to 1993 she was Professor and Director of the Department of Cariology and Endodontics at the Semmelweis University of Medicine, Budapest. From 1980 to 1986 she was Dean of the School of Dentistry, Semmelweis University of Medicine, Budapest.

Područja interesa prof. dr. Jolán Bánóczy jesu: kariologija, preventivna stomatologije, oralna medicina, oralne prekanceroze i stomatološka izobrazba. Objavila je 18 knjiga ili poglavlja u knjigama tiskanih diljem svijeta na engleskom, japanskom, francuskom, njemačkom i mađarskom jeziku. Napisala je 312 znanstvenih radova od čega oko 160 na stranim jezicima, a održala je oko 350 predavanja na europskim, američkim i azijskim sveučilištima. Pod njezinim mentorstvom obranjene su doktorske disertacije kandidata iz Mađarske i iz drugih zemalja svijeta.

Prof. Bánóczy's areas of interest are: cariology, preventive dentistry, oral medicine, oral precancerous lesions, dental education. She has written 312 scientific papers, of which approximately 160 were written in a foreign language, and published 18 books or book prefaces, which have been published throughout the world in English, Japanese, French, German and Hungarian. She has held 350 lectures at Universities and towns in Europe, America and Asia. Under her mentorship many doctoral dissertations have been defended by candidates from Hungary and other countries.

Članica je mnogih svjetskih znanstvenih i stručnih drugu: W.H.O. voditeljica Collaborating Center for Precancerous Lesions od 1967. do 1980., supredsjednica ORCA, suradnica članica Finske stomatološke udruge, W.H.O. Advisory Expert od 1981. do danas, predsjednica Mađarske stomatološke udruge, počasna članica Njemačke stomatološke udruge i Američke stomatološke udruge, a od 1995. počasna članica ORCA i drugih.

Prof. Bánóczy is a member of numerous international scientific and professional associations: W.H.O., Head of the Collaborating Center for Oral Precancerous Lesions from 1967 to 1980, Co-President of ORCA, Corresponding Member of the Finnish Dental Society, W.H.O. Advisory Expert from 1981 up to the present, President of the Hungarian Dental Association, Honorary Member of the German and American Dental Associations, and from 1995 Honary member of ORCA and others. From 1994 she has been a Visiting professor at the School of Dental Medicine University of Zagreb, and was an active participant and guest at the 1st World Congress of Croatian Dentists.

Od 1994. gost je profesor Stomatološkog fakulteta u Zagrebu, a bila je aktivna sudionica i gost I. svjetskoga kongresa hrvatskih stomatologa.

Prof. dr. Jolán Bánóczy članica je mnogih uređivačkih kolegija znanstvenih i stručnih časopisa, kao što su: *Caries Research* od 1980. do 1989., *Zahn Mund und Kieferheilkunde* od 1980. do 1990., *Fogorvosi Szemle* (Hung.) od 1974. do danas, *Community Dentistry and Oral Epidemiology* od 1991. do danas, *Lege Artis Me-*

dicinae (Hung.) od 1991. do danas, *Journal of Clinical Dentistry* od 1993. do danas.

Prihvativši da bude članicom *Acta Stomatologica Croatica*, prof. Jólán Bánóczy počastila nas je svojom odlukom, a Časopis je bez ikakve sumnje dobio u svoje krilo ime kakvo se samo poželjeti može.

Prof. Bánóczy has been a member of numerous Editorial Boards of scientific and professional journals such as: Caries Research 1980-1989, Zahn Mund und Kieferheilkunde 1980-1990. She is presently a member of the Editorial Boards of Fogorvosi Szemle (Hung.) since 1974, Community Dentistry and Oral Epidemiology since 1991, Lege Artis Medicinae (Hung.) since 1991, Journal of Clinical Dentistry since 1993.

We are honoured that Prof. Jolán Bánóczy has accepted our invitation to become a member of the journal Acta Stomatologica Croatica.
