

The Announcement

DU 2003 NMR

The Fourth International Dubrovnik NMR Course and Conference

June 28- July 01, 2003, Dubrovnik, Croatia

will be held at Inter-University Center (IUC)

under the joint auspices of Ruđer Bošković Institute (IRB), Zagreb and Faculty of Food Technology and Biotechnology (PBF), Zagreb, University of Zagreb.

Scientific and Organizing Committee:

Ante Graovac (Zagreb & Split, Croatia)

Janez Plavec (Ljubljana, Slovenia)

Nenad Juranić (Rochester, USA)

Nicolay Sergeeyev (Moscow, Russia)

Damir Kovaček (Zagreb, Croatia)

Vladimir Sklenar (Brno, Czech Republic)

Norbert Müller (Linz, Austria)

Vilko Smrečki (Zagreb, Croatia)

Predrag Novak (Zagreb, Croatia)

Srećko Valić (Rijeka, Croatia)

Dražen Vikić-Topić (Zagreb, Croatia)

SCOPE: Contemporary trends in nuclear magnetic resonance spectroscopy. Theory of NMR and modern one-, two- and multidimensional NMR techniques. New analytical applications of NMR in pharmaceutical research, medicine, food science, biotechnology, chemistry and physics. The course is intended for students, while conference for both graduate students and specialists as well.

REGISTRATION FORM & ABSTRACT: The registration form and abstract should be received by the organizer not later than May 31, 2003. See <http://dunmr.irb.hr> or write to organizer.

ORGANIZER: For all informations concerning the meeting correspondence should be addressed to:

Dr. Dražen Vikić-Topić, NMR Centre

Ruđer Bošković Institute

10002 Zagreb, POB 180, Croatia

fax: +(385)-(1)-46-80-085 or +(385)-(1)-46-80-084; E-mail: vikic@irb.hr

phone: +(385)-(1)-45-60-961 or +(385)-(1)-45-61-111, ext. 1734 or 1776
