

### Prilozi bibliografiji flore Hrvatske

- **Bogdanović, S., Brullo, S. (2015):** Taxonomic revision of the *Limonium cancellatum* group (Plumbaginaceae) in Croatia. *Phytotaxa* 215(1): 1-87.
- **Bogdanović, S., Jogan, N. (eds.) (2015):** Book of abstracts – 6th Balkan Botanical Congress, Rijeka, September 14-18, Natural History Museum Rijeka, Croatian Botanical Society, Botanical Society of Slovenia, University of Rijeka, Zagreb.
- **Bogdanović, S., Ljubičić, I., Clementi, M. (2015):** *Aegilops uniaristata* Vis. (Poaceae): typification and occurrence in Croatia. *Acta Botanica Croatica* 74(1): 165-172.
- **Caković, D., Stešević, D., Schönschwetter, P., Frajman, B. (2015):** How many taxa? Spatiotemporal evolution and taxonomy of *Amphoricarpos* (Asteraceae, Carduoideae) on the Balkan Peninsula. *Organisms Diversity & Evolution* 15(3): 429-445.
- **Frajman, B., Rešetnik, I. Weiss-Schneeweiss, H., Ehrendorfer, F., Schönschwetter, P. (2015):** Cytotype diversity and genome size variation in *Knautia* (Caprifoliaceae, Dipsacoideae). *BMC Evolutionary Biology* 15(140): 1-18.
- **Fridlender, A., Pustahija, F., Edita Šolić, M., Abadžić, S., Bourge, M., Pech, N., Siljak-Yakovlev, S., Brown, S. C. (2014):** Is it possible to identify *Colchicum neapolitanum* s.l. and *C. autumnale* s.l. in vegetative stage? Biometry and flow cytometry approaches. *Botanica Serbica* 38(1): 43-56.
- **Hršak, V., Šegota, V., Irić-Šironja, S., Sedlar, Z. (2015):** Spontaneous and ornamental flora of the park of Lužnica manor near Zaprešić (northwestern Croatia). *Natura Croatica* 24(1): 37-57.
- **Hruševar, D., Mitić, B. (2015):** Contribution to the knowledge of plant diversity and habitat types of non-forest vegetation in the subalpine belt of Mt Troglav and its surroundings (Mt Dinara sensu lato). *Natura Croatica* 24(1): 1-17.
- **Hruševar, D., Mitić, B., Sandev, D., Alegro, A. (2015):** *Echinochloa colona* (L.) Link (Poaceae), a new species in the flora of Croatia. *Acta Botanica Croatica* 74(1): 159-164.
- **Jasprica, N., Milović, M., Romić, M. (2015):** Phytosociology and ecology of *Cressa cretica* L. (Convolvulaceae) on the eastern Adriatic coast. *Hacquetia* 14(2): 265-276.
- **Király, G., Alegro, A. (2015):** Re-evaluation of the *Panicum capillare* complex (Poaceae) in Croatia. *Acta Botanica Croatica* 74(1): 173-180.

- **Király, G., Trávníček, B., Žila, V. (2015):** *Rubus gayeri* and *Rubus slavonicus*, two new species of *Rubus* ser. *Micantes* (Rosaceae) from Central and South-Eastern Europe. *Phytotaxa* 195: 279-290.
- **Maslo, S., Abadžić, S. (2015):** Vascular flora of the town of Blagaj (south Bosnia and Herzegovina). *Natura Croatica* 24(1): 59-92.
- **Nikolić, T., Milović, M., Bogdanović, S. Jasprica, N. (2015):** Endemi u hrvatskoj flori. *Afla d.d.*, Zagreb.
- **Pandža, M., Milović, M. (2015):** Flora of the islets near Pakoštane (Dalmatia, Croatia). *Natura Croatica* 24(1): 19-35.
- **Prlić, D. (2015):** Small-flowered bittercress, *Cardamine parviflora* L. (Brassicaceae), a new species of the Croatian flora. *Acta Botanica Croatica* 74(1): 151-157.
- **Radić Lakoš, T., Milović, M., Jelaska, S. D. (2015):** Possible Implications of Two Management Types in Olive Groves on Plant Diversity. *Agriculturae Conspectus Scientificus* 79(4): 209-220.
- **Radosavljević, I., Jakse, J., Šatović, Z., Javornik, B., Janković, I., Liber, Z. (2015):** New microsatellite markers for *Campanula pyramidalis* (Campanulaceae) and cross-amplification in closely related species. *Applications in Plant Sciences* 3(3): 1-3.
- **Salmeri, C., Brullo, C., Brullo, S., Giusso del Galdo, G., Moysiyanenko, I. I. (2015):** What is *Allium paniculatum*? Establishing taxonomic and molecular phylogenetic relationships within A. sect. *Codonoprasum*. *Journal of Systematics and Evolution*, DOI: 10.1111/jse.12170.
- **Seregin, A. P., Anačkov, G. Friesen, N. (2015):** Molecular and morphological revision of the *Allium saxatile* group (Amaryllidaceae): geographical isolation as the driving force of underestimated speciation. *Botanical Journal of the Linnean Society* 178: 67-101.
- **Škvorc, Ž., Franjić, J., Krstonošić, D. (eds.) (2015):** Book of Abstracts of the 36th Meeting Eastern Alpine and Dinaric Society for Vegetation Ecology, Osijek, 17-20 June 2015, Croatian Botanical Society, Zagreb.
- **Tekić, I., Fuerst-Bjeliš, B., Durbešić, A. (2014):** Rasprostranjenost alepskog bora (*Pinus halepensis* Mill.) i njegov utjecaj na vegetaciju i strukturu pejzaža šireg šibenskog područja. *Šumarski list* 138(11-12): 593-600.
- **Terzi, M. (2015):** Numerical analysis of the order *Scorzoneretalia villosae*. *Phytocoenologia* 45(1-2): 11-32.
- **Vitasović Kosić, I., Novaković, T. (2014):** Ekološke značajke samoniklih, morfološki atraktivnih travnjačkih svojti Ćićarije (Hrvatska). *Agronomski glasnik* 76(3): 101-126.
- **Zebec, M., Idžojić, M., Poljak, I. (2014):** Morfološka varijabilnost nizinskog brijesta (*Ulmus minor* Mill. sensu latissimo) na području kontinentalne Hrvatske. *Šumarski list* 138(11-12): 563-572.
