<b>Laryngeal Chondrosarcoma: Successful Use of Video Laryngoscope in Anticipated Difficult Airway Management</b> Vladimir Dolinaj, Sanja Milošev and Dušanka Janjević .....	108

## FOREWORD

The manuscripts in this issue were presented at the joint European Airway Management Society (EAMS) scientific meeting European Spring Airway Symposium 2015 (ESAS 2015) and 2nd Croatian Congress of Airway Management with International Participation held on March 20-22, 2015 in Zagreb, Croatia. After their presentation at the meeting, the selected manuscripts have passed double reviewing process and professional language editing before acceptance and publishing.

Radovi u ovom broju prikazani su na zajedničkom znanstveno stručnom skupu EAMS European Spring Airway Symposium 2015 (ESAS 2015) i 2. hrvatskom kongresu o zbrinjavanju dišnih putova s međunarodnim sudjelovanjem održanom 20.-22. ožujka 2015. godine u Zagrebu, Hrvatska. Nakon prezentacije na skupu odabrani radovi su prošli proces dvostruke recenzije i stručne lekture prije prihvaćanja i objavljivanja.
