

# Certificates Awarded to Participants of the Special Programme of Kinesiological Activities in Preschool Education

---

On Tuesday, December 22, 2015, an awards ceremony took place at the Faculty of Teacher Education, University of Zagreb, where certificates were given to preschool education teachers who successfully completed the Programme of professional development – moderator/leader of Special Programme of Kinesiological Activities in Preschool Education.

The Programme, in the duration of 50 hours, is intended as professional development of preschool teachers for carrying out work as moderators of kinesiological activities in preschool education. The Programme was initiated by the Centre for Lifelong Education of the Faculty of Teacher Education in 2015.

In the first generation of participants of the Special Programme of Kinesiological Activities, 33 participants completed the course. The programme leader and instructor is Professor Ivan Prskalo, PhD, while other instructors in the programme are: Assistant Professor Vatroslav Horvat, PhD; Assistant Professor Marko Badrić, PhD; Marijana Hraski, PhD; Marija Lorger, PhD; Ivana Nikolić, PhD; Assistant Professor Ivan Šebetar, PhD; Snježana Mraković, MSc; Srna Jenko Miholić; Igor Bokor and Assistant Professor Željko Hraski, PhD (External Associate).

In March 2016, applications for the new programme of study, which will take place from September 12 – 13, 2016, will be accepted. For more information about the Programme please visit: <http://www.ufzg.unizg.hr>.
