

SELEKTIVNA BIBLIOGRAFIJA RADOVA IZ PODRUČJA PRIMIENJENE SOCIOLOGIJE

Jasminka Lažnjak

Rudarsko-geološko-naftni fakultet, Zagreb

U ovom broju donosimo selektivnu bibliografiju radova iz primijenjene sociologije. Razlog za njeno objavljivanje, pored informacije o stranoj literaturi, je u sve većoj aktualnosti tog područja u svijetu i kod nas. Mnogi sociolozi smatraju da je sve šira primjena sociologije velika šansa za razvoj i afirmaciju profesije izvan uskih akademskih okvira. Bibliografija sadrži radove isključivo na engleskom jeziku.
