

Faculty of Teacher Education Receives ISO 9001:2015 Standard Certificate

In order to improve management quality, last year, the Faculty of Teacher Education, University of Zagreb underwent the procedure for institutional certification according to the ISO 9001:2015 standard. The procedure was officially completed on March 24, 2016 with a Certificate. The certification was conducted by one of the most prestigious certification boards, Bureau Veritas. Having the certificate, the Faculty of Teacher Education became the first Faculty of the University of Zagreb having the ISO 9001:2015 Certificate which stands as a great accomplishment of the Faculty. It serves as reinforcement for further improvements and continuous development of

all employees, enabling all programmes of study and faculty services to meet high quality standards of modern higher education and business. The Certificate also facilitates applications for infrastructural projects financed through EU funds that can raise the standard of studying and working at the Faculty for the advantage of all students and staff.

Završena certifikaciji prema ISO 9001:2015 normi

Kako bi podigao kvalitetu upravljanja, Učiteljski je fakultet Sveučilišta u Zagrebu potkraj prošle godine pokrenuo postupak certifikacije ustanove prema ISO 9001:2015 normi. Certifikacija je službeno završena 24. ožujka 2016. godine primitkom potvrde, a provela ju je jedna od najuglednijih certifikacijskih kuća Bureau Veritas. Na taj je način Učiteljski fakultet postao prvi fakultet Sveučilišta u Zagrebu koji ima certifikat prema ISO 9001:2015 normi što predstavlja veliko priznanje Fakultetu te je poticaj za daljnja poboljšanja i rad na stalnom usavršavanju svih djelatnika kako bi svi studiji, ali i službe Fakulteta, kvalitetom zadovoljile sve standarde modernoga visokog obrazovanja i poslovanja. Uz to, dobiveni certifikat uvelike olakšava prijavu na mnoge infrastrukturne projekte koji se financiraju iz fondova EU-a čime se može još više podići standard studiranja i rada na Fakultetu na zadovoljstvo svih studenata i djelatnika.
