»CROAT«

Poziva Vas da sudjelujete na

2. MEĐUNARODNOM SIMPOZIJU O KONJOGOJSTVU

**»EQUUS '96«**

koji će se održati od 3–6. listopada 1996. godine u Rovinju, Hrvatska

PRVA OBAVIJEST

“EQUUS '96” je drugi simpozij koji će se održati u Hrvatskoj nakon njena osamostaljenja. Zbog obnove tradicije uzgoja konja u Hrvatskoj organizacijski odbor predlaže nešto širu tematiku, prvenstveno povezanu s uzgojem konja.

Stoga su naši prijedlozi tema za “EQUUS '96” sljedeći:

- Povijest i tradicija uzgoja konja u pojedinim zemljama i regijama;
- Organizacija uzgoja konja u pojedinim zemljama i regijama;
- Povijest i principi vođenja evidencije (matičnih knjiga) po pojedinim uzgojima konja u svijetu;
- Principi i metode ocjenjivanja (licenciranja) konja;
- Uzgojne i uporabne vrijednosti pojedinih uzgoja konja;
- Ciljevi pojedinih uzgoja konja u svijetu;
- Metode i mogućnosti dokazivanja pasmina konja putem krvi;
- Genetske metode određivanja uzgoja u srodstvu, genetskih varijacija i srodnosti određenih populacija konja;
- Mutacije u uzgoju konja;
- Utjecaji klime, tla i prehrane na tjelesni razvoj konja;
- Odnosi i simbioze ostalih vrsta stoke s konjima;
- Principi i hijerarhija odgoja i školovanja osoba za rad s konjima;
- Uzgoj konja za šport; Uporaba konja u radu, vuči i športu;
- Hipoterapija, itd.

U okviru "EQUUS-a 96" dopušteno je prezentirati i ostale teme povezane s uzgojem konja za koje sudionici simpozija smatraju da su od važnosti i da bi zanimale cijenjeno slušateljstvo.

Unaprijed napominjemo da se iz mogućih predavanja isključuju teme:

- vojna uporaba konja,
- uzgoj konja za meso.

**Svim sudionicima**

TRAKEHNER HORSE BREEDERS' ASSOCIATION OF CROATIA

»CROAT«

has the honour of inviting you to participate in  
the 2nd International Symposium on Horse-breeding

**»EQUUS '96«**

in Hotel the »PARK«, Rovinj, Croatia 03 - 06 October 1996

PRELIMINARY INFORMATION

“EQUUS '96” is the second symposium on horse-breeding to be held in Croatia after its achievement of sovereignty and independence. For the reason of maintaining the old tradition of horse-breeding in Croatia the Organization Committee proposes a wider range of topics related primarily to horse-breeding.

The following topics are proposed for “EQUUS '96”:

- History and tradition of horse-breeding in various countries and regions
- Organisation of horse-breeding in various countries and regions
- History and principles of registering (herd books) of various breeds in the world
- Principles and methods of assessment (licensing) of horses
- Breeding values and results in using of certain horse breeds
- Breeding goals of certain horse breeds in the world
- Methods and possibilities of proving the breeds (races) by means of blood sample analysis
- Genetic methods of determination of related breeds, genetic variations and kinship of certain horse populations
- Mutations in horse-breeding
- Impact of climatic conditions, soil and nutrition on physical development of horse
- Relations and symbiosis between horses and other animals
- Principles and hierarchy of education and qualification of personnel for the work with horses
- Horse-breeding in sports
- Exploitation of horses in work, cart-pulling and sports
- Hypotherapy, etc.

Within the thematic framework of "EQUUS '96" it is possible to present other topics related to horse-breeding which the invited authors and presenters consider important and interesting for the audience.

However, we feel it necessary to stress that the following topics are excluded from possible presentations:

- Exploitation of horses for military purposes
- Breeding of horses for meat production

All interested participants in the 2nd International Symposium on horse breeding »EQUUS '96«

are kindly requested to send summaries of their presentations until  
30 June 1996

The summary should include the following:

- Title/Topic
- First name and family name of the author
- Basic idea and short content
- Contact address and other relevant data (academic title, etc)

The official languages of "EQUUS '96" are Croatian, German and English

We would appreciate your photo-, dia- or video- presentation during your lectures, which might be all shown in the reception hall.

Your registration forms and other proposals please send to:
