

DECORATIONS OF BOSNIA AND HERZEGOVINA, I II

In his third paper about war honours and decorations issued by the Republic of Bosnia and Herzegovina and the Federation of Bosnia and Herzegovina, the author writes about some new facts that were not available to him in the two earlier articles.

This especially refers to descriptions of preparatory working materials in the Army of the Republic of Bosnia and Herzegovina that preceded the adoption of some of the war honours and decorations.

Unfortunately, the Federation of Bosnia and Herzegovina does not yet have its own decorations, but procedures in this field are underway.
