All papers will be peer reviewed by the program committee based on their originality, significance, methodological soundness, and clarity of exposition.

Submitted papers must be written in English and should be in PDF format. They must follow the instructions in the template file, available in Microsoft Word format at:

<http://www.headconf.org/template.docx>

Paper length must be between 4 and 8 pages, incorporating all text, references, figures and tables. These guidelines are strict: papers failing to adhere to the guidelines will be rejected without consideration of their merits. Submissions imply the willingness of at least one author to register, attend the conference, and present the paper.

HEAd'17 is using the OCS platform of UPV Press to manage the submissions. This platform provides you with a submissions homepage where you can register your paper submission and make appropriate changes. The submission website is:
