

## **Dobitnik zlatne medalje "Aleksandar Blašković" Prof. dr. sc. Ruđer Novak, znanstveni savjetnik i redoviti profesor u mirovini**

Prof. dr. sc. Ruđer Novak rođen je 24. lipnja 1925. godine u Dubrovniku. Gimnaziju je završio u Zagrebu, a 1949. godine diplomirao na Medicinskom fakultetu u Zagrebu. Specijalizirao je urologiju u Zagrebu 1954. godine, te kirurgiju u Skopju. Doktorsku disertaciju pod nazivom "Rekonstrukcija uretera revaskulariziranom venom" obranio je 1964. godine, a habilitirao je na Medicinskom fakultetu u Zagrebu 1971. godine. Godine 1973. izabran je u zvanje izvanrednoga profesora, a 1975. u zvanje redovitoga profesora. Tijekom usavršavanja boravio je na klinikama u Krakovu, Nantesu, Londonu, Parizu, Beču, Budimpešti, Varšavi, Barceloni, Pragu i Essenu. Član je brojnih stručnih društava: EAU (Europsko udruženje za urologiju), SIU (Svjetsko urološko udruženje), DGU (Njemačko urološko društvo) te uroloških društava Francuske i Austrije, a počasni je član uroloških društava Mađarske, Češke i Poljske. Redoviti je član Hrvatske akademije medicinskih znanosti u Zagrebu. Posebno valja istaknuti nastavnu djelatnost koja se temelji na izvođenju nastave iz nastavnoga predmeta Urologije na dodiplomskim i poslijediplomskim studijima od 1971. na Medicinskom fakultetu u Zagrebu, a 1990. godine i na Studiju medicine, odnosno Medicinskom fakultetu u Osijeku. Mentor je 22 doktoranda i 13 magistranada. Član je Hrvatskoga liječničkoga zbora, Union internationale conte le cancer, Societe international d' urology, te češkoga, mađarskoga, njemačkoga i francuskoga urološkog

društva. Medicinski interesi su mu urološka onkologija, rekonstrukcijska urološka kirurgija i kirurgija uretre. Od 1976. do 1990. godine predstojnik je Urološke klinike Kliničke bolnice "Sestre milosrdnice" u Zagrebu. Sada je u mirovini. Prof. dr. sc. Ruđer Novak istaknuti je europski urolog sa značajnom publicističkom djelatnošću, autor je i koautor 7 knjiga, objavio je 115 znanstvenih i stručnih radova, a od toga 30 u inozemstvu. Napisao je izabrana poglavlja iz urologije 1987. godine. Suautor je knjiga "Urološka onkologija" i "Rekonstrukcijska urološka kirurgija". Suradnik je u objavljivanju medicinske enciklopedije i leksikona. Posebna djelatnost prof. dr. sc. Ruđera Novaka u proteklih 20 godina je znanstvena i stručna suradnja s Klinikom za urologiju Kliničke bolnice u Osijeku i Medicinskim fakultetom u Osijeku, a temelji se na sudjelovanju u znanstvenim projektima, izdavanju knjiga iz područja urologije, u organizaciji znanstveno-stručnoga simpozija "Osječki urološki dani", u uredništvu znanstveno-stručnoga časopisa Medicinski vjesnik u Osijeku, u uvođenju novih operacijskih metoda na Urološkoj klinici u Osijeku, te predavanjima koje održava kao gostujući profesor na Medicinskom fakultetu u Osijeku. Godine 2000. dodijeljena mu je Povelja Sveučilišta Josipa Jurja Strossmayera u Osijeku, kao znak javnoga priznanja za istaknut rad i izniman doprinos u nastavnoj i znanstvenoj djelatnosti Medicinskoga fakulteta u Osijeku.

**Recipient of the Gold Medal "Aleksandar Blašković"**  
**Prof. Dr. Ruđer Novak,**  
**Scientific Adviser**  
**and Full Professor in retirement**

Prof. Dr. Ruđer Novak was born on June, the 24<sup>th</sup>, 1925 in Dubrovnik. He finished the Grammar School in Zagreb and in the year 1949 graduated from the Faculty of Medicine in Zagreb. In the year 1954 he specialized in urology in Zagreb, and in surgery in Skopje. He defended his doctoral dissertation under the title "Rekonstrukcija uretera revaskulariziranom venom"/"Ureteral Reconstruction Using the Revascularized Vein" and was elected Assistant Professor at the Faculty of Zagreb in 1971. In the year 1973 he was elected Associate Professor, and in 1975 - Full Professor. During his professional training he stayed at the Clinics in Krakow, Nantes, London, Paris, Vienna, Budapest, Warsaw, Barcelona, Prague and Essen. He is the member of many professional associations: EAU (European Association of Urology), SIU (World Association of Urology), DGU (German Association of Urology), as well as the member of Urological Associations in France and Austria. He is also honorary member of Urological Associations in Hungary, Czech Republic and Poland. Professor Novak is a full member of the Croatian Academy of Medical Sciences in Zagreb. What must also be emphasized are his teaching activities, based on lecturing for the study course Urology at graduate and postgraduate studies, since 1971 - at the Faculty of Medicine in Zagreb and since 1990 - also at the Satellite Studies in Osijek, i.e. later on - at the Faculty of Medicine in Osijek. Professor Novak was mentor to 22 doctoral dissertations and 13 master's theses. He is the member of the Croatian Medical Association, L'Union Internationale Contre Le Cancer (UICC), Société Internationale d'Urologie, as well as the Czech, Hungarian, German and French

Association of Urology. His medical interests are urologic oncology, reconstructive urological surgery and surgery of the urethra. From 1976 to 1990 he was the Head of the Urology Clinic at the University Hospital "Sestre milosrdnice" in Zagreb. Now, he is retired. Prof. Dr. Ruđer Novak is a distinguished European urologist with significant publishing activity, he is the author and co-author of 7 books, he published 115 scientific and professional papers, 30 of them were published abroad. He wrote selected chapters in urology in the year 1987. He is co-author of the books "Urološka onkologija"/"Urologic Oncology" and "Rekonstrukcijska urološka kirurgija"/"Reconstructive Urological Surgery". He has worked as collaborator in publishing medical encyclopedia and lexicon. To the special activities of Professor Ruđer Novak in the past 20 years belongs scientific and professional cooperation with the Urology Clinic of the University Hospital Osijek and the Faculty of Medicine in Osijek, which is based on participation in scientific projects, publishing of books in the field of urology, organization of the scientific and professional symposium "Osijek Urological Days", editing of the scientific and professional journal Medicinski Vjesnik, and introducing new surgical procedures at the Urology Clinic in Osijek, as well as lectures which Professor Novak holds as Visiting Professor at the Faculty of Medicine in Osijek. In the year 2000 he was awarded the Charter of Josip Juraj Strossmayer University of Osijek, as a sign of public recognition for his prominent work and extraordinary contribution to teaching and scientific work of the Faculty of Medicine in Osijek.

**Dobitnik zlatne medalje "Aleksandar Blašković"**  
**Prof. dr. sc. Zvonimir Mareković,**  
**specijalist urologije i kirurgije,**  
**sveučilišni profesor**

Rođen je 1937. godine u Glini.

Diplomirao je na Medicinskom fakultetu u Zagrebu 1962. godine, specijalizirao opću kirurgiju 1971. godine, te urologiju 1974. godine.

Stručno se usavršavao u centru Scandia transplant, Aarhus, Danska 1974. godine, na Institutu IKEM u Pragu 1975. godine, Klinici Grosshadern u Münchenu 1985. godine te kod profesora Matouscheka, Karlsruhe 1989. godine.

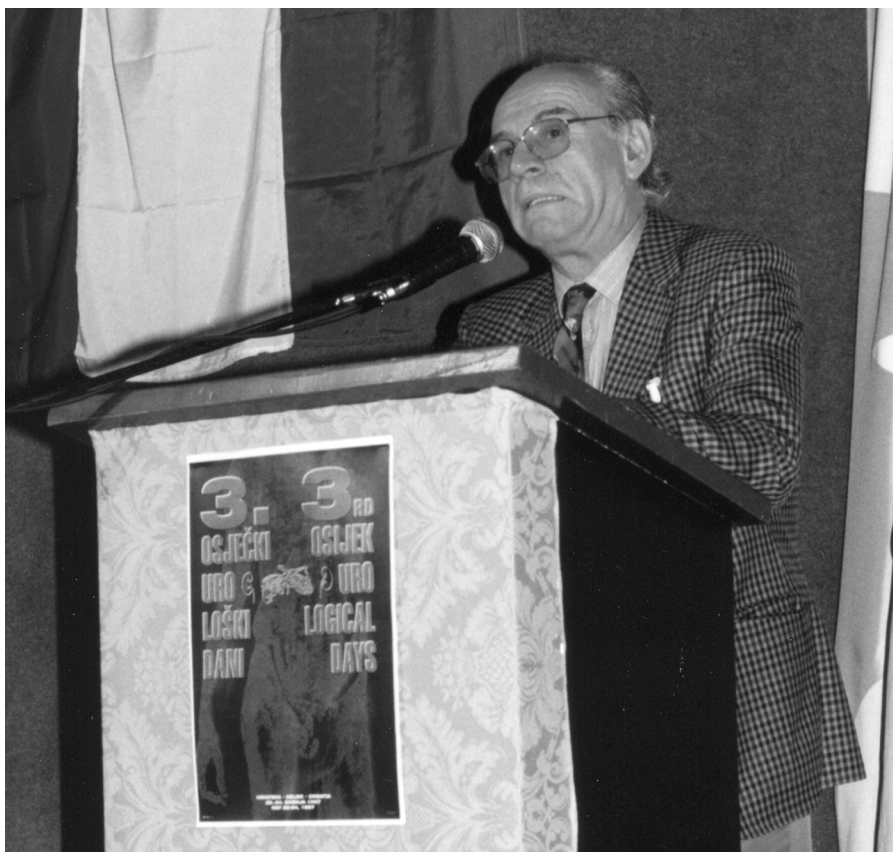

Godine 1976. bio je ravnatelj Medicinskoga centra Glina, od 1980. izvanredni je profesor, a od 1986. redoviti profesor Medicinskoga fakulteta u Zagrebu, od 1990. do 2003. godine predstojnik je Klinike za urologiju Kliničkoga bolničkoga centra u Zagrebu, predsjednik Hrvatskoga urološkoga društva od 1992. do 2002. godine, te predsjednik Stručnoga vijeća Kliničkoga bolničkoga centra.

Objavio je veći broj stručnih i znanstvenih radova u domaćim i stranim časopisima, poglavlje u knjizi "Udžbenik kirurgije - Urologija odrasle dobi", urednik je i izdavač "Documenta Urologica".

Član je Hrvatskoga liječničkoga zbora, Hrvatskoga urološkoga društva, HLK-a, Medicinske akademije HLZ-a, Europskoga urološkoga društva, Međunarodnoga udruženja urologa, te Central European Meeting Faculty, i to 2000., 2001. i 2002. godine.

Dobitnik je priznanja Hrvatske liječničke komore 2000. godine, Odličja reda Danice hrvatske s likom Katarine Zrinske 1999. godine, Priznanja za svekoliki razvoj hrvatske vojske, Ordена rada sa srebrnim vijencem 1999. godine te Diplome HLZ-a.

Medicinski interesi su mu radikalna i rekonstruktivna urološka kirurgija, minimalno invazivne metode u urološkoj kirurgiji, reovaskularna kirurgija i transplantacija bubrega.
