

**5<sup>th</sup> Scientific Symposium With International Participation  
„ENVIRONMENTAL RESOURCES, SUSTAINABLE DEVELOPMENT  
AND FOOD PRODUCTION“ - OPORPH 2017**

5th SCIENTIFIC SYMPOSIUM WITH INTERNATIONAL PARTICIPATION

«ENVIRONMENTAL RESOURCES, SUSTAINABLE DEVELOPMENT AND FOOD PRODUCTION»-OPORPH 2017

November 16-17, 2017, Tuzla, Bosnia and Herzegovina

On the occasion of marking the 58<sup>th</sup> anniversary of the existence of the Faculty of Technology, University of Tuzla was in cooperation with Association of Chemists Tuzla's Canton organized the 5<sup>th</sup> Scientific Symposium with International Participation „**Environmental resources, sustainable development and food production**“ - **OPORPH 2017**.

The two-day Symposium was held under the motto: "Sustainable development today is the change you want to see tomorrow". The significance of this Symposium is that it covers a wide range of scientific fields, such as: chemical-, biochemical- and food- engineering, environmental protection, applied chemistry and agronomy. The Symposium was attended by local eminent experts, as well as experts from the region and students, which contributed to the International Importance of the Symposium. Over 150 exhibitors participated at the Symposium from Germany, China, Croatia, Serbia, Montenegro, Slovenia, Macedonia, Bosnia and Herzegovina.

This year, the Scientific and Organizing Committee invited eight invited speakers:

- Bruno Zelić, Faculty of Chemical Engineering and Technology, University of Zagreb
- Ljubica Dokić, University of Novi Sad, Faculty of Technology Novi Sad, Serbia

- Zoran Jovović, University of Montenegro, Biotechnical Faculty Podgorica, Montenegro
- Elvis Ahmetović, University of Tuzla, Faculty of Technology, Bosnia and Herzegovina
- Jasmina Ibrahimpašić, University of Bihać, Biotechnical Faculty, Bosnia and Herzegovina
- Stanko Blatnik, IPAK Institut Velenje Slovenia ,
- Zdenko Lončarić, Josip Juraj Strossmayer of Osijek, Faculty of Agriculture Osijek, Croatia
- Mirna Habuda – Stanić, Josip Juraj Strossmayer of Osijek, Faculty of Food Technology Osijek

The aim of the Symposium was to promote scientific research through exchange of experiences and recent achievements in these fields.

This year, an electronic publication of the Book of the Abstracts was made on CD, and was cataloged by the National and University Library of Bosnia and Herzegovina (Book of Abstracts, Univerzitet u Tuzli, Tehnološki fakultet, Tuzla. ISSN 2566-3364).

Vahida Selimbašić,  
President of the Scientific and Organizing Committee
