

EDITORIAL NOTE

The present volume is a collection of invited and contributed papers presented at the 6th »Rudjer Bošković« Institute's International Summer Conference on the Chemistry of Solid/Liquid Interfaces, and at the International Symposium on Precipitation and Interfacial Phenomena in Mineralization in Biological and Biopolymer Matrices. These meetings were held from June 22 to 30, 1982 in Cavtat/Dubrovnik, Croatia, Yugoslavia.

The Conference and the Symposium were supported by the Commission for Scientific Meetings and Publications of the Authority for Scientific Research of the Socialist Republic of Croatia, and by the Joint Commission on Scientific Meetings of the Republics and Provinces of Yugoslavia. Appreciation is expressed hereby for the financial support.

The meetings were held under the Joint sponsorship of the Croatian Chemical Society and the Union of the Chemical Societies of Yugoslavia. The two meetings were jointly organized by a committee consisting of: Dr. Velimir Pravdić (Chairman), Dr. Helga Füredi-Milhofer (Symposium Chairperson), Dr. Ljerka Brečević, Dr. Dunja Čukman, and Dr. Vlado Hlady. Ms. Nevenka Granić was the administrative secretary. The Organizing Committee enjoyed essential help in Dubrovnik by Ms. Zdenka Talijić of the »Atlas« Co. Congress Department.
