## Communist Ideology in Croatian teacher's handbooks post-WWII

Teacher's handbooks printed immediately after World War II, differed from the previous ones by introducing political ideologemes aimed at political indoctrination of the students. The first post-war issue of Boranić's *Gramatika* (Grammar), published in Federal People's Republic of Yugoslavia in 1947, is compared to the 1940 issue and newly written 1947 and 1948 grammar handbooks are analyzed *Croatian or Serbian Language Grammar Textbook for Grammar School, Grades III* (*Gramatika hrvatskoga ili srpskoga jezika za III. razred gimnazije*, Brabec, Hraste & Živković; *Word forming, Syntax and Dialects Tvorba riječi, sintaksa i narječja*, 1947; *Our Language: Grammar and Orthography Textbook for Elementary School, Grades VII and Grammar School, Grades I Naš jezik. Gramatika i pravopis za V. razred sedmogodišnje škole i I. razred gimnazije*, Frol & Brabec, 1948) and it is evident that the statement is also valid for grammar and orthography textbooks written for schools.
