Popis časopisa Centralne kemijske biblioteke
(List of periodicals received by the Central Chemical Library)

Sa * označeni časopisi dolaze u zamjenu za CROATICA CHEMICA ACTA
(* Received in exchange for the CROATICA CHEMICA ACTA)

Kratice u uglatim zagradaama su prema Chemical Abstracts osim kod ruskih časopisa gdje je uzeta hrvatska transkripcija. Potertani broj naznačuje volumen, a brojevi iza godine naznačuju dijelove (sveske) nekompletnog volumena; povelika — znači da se časopis redovito prima.
