

11. međunarodni znanstveno-stručni skup

HRANOM DO ZDRAVLJA

18. i 19. listopada 2018.

Split, Hrvatska

IZVJEŠĆE O ODRŽANOM SKUPU

Povodom obilježavanja Svjetskog dana hrane, u Splitu je 18. i 19. listopada 2018. godine održan 11. međunarodni znanstveno-stručni skup *HRANOM DO ZDRAVLJA*. Skup je organizirao Kemijsko-tehnološki fakultet Sveučilišta u Splitu u suradnji s Prehrambeno-tehnološkim fakultetom Sveučilišta u Osijeku, Tehnološkim fakultetom Univerziteta u Tuzli (BiH), Farmaceutskim fakultetom Univerziteta u Tuzli (BiH), Udruženjem za nutricionizam i dijetetiku (BiH), Veterinarskim zavodom Vinkovci, European Hygienic Engineering & Design Group – EHEDG (Njemačka), Medicinskim fakultetom Sveučilišta u Splitu, Fakultetom agrobiotehničkih znanosti Sveučilišta u Osijeku, Agronomskim i prehrambeno-tehnološkim fakultetom Sveučilišta u Mostaru (BiH), Komorom magistara farmacije Tuzlanskog kantona (BiH), Udrugom narodnog zdravlja Andrija Štampar, Hrvatskom agencijom za hranu i Odjelom za Biologiju Sveučilišta u Osijeku.

Organizaciju Skupa poduprli su pokrovitelji: Ministarstvo znanosti i obrazovanja Republike Hrvatske, Ministarstvo poljoprivrede Republike Hrvatske, Ministarstvo zdravstva Republike Hrvatske, Ministarstvo gospodarstva, poduzetništva i obrta Republike Hrvatske, Sveučilište u Splitu, Sveučilište Josipa Jurja Strossmayera u Osijeku, Akademija tehničkih znanosti Hrvatske, Hrvatski zbor nutricionista, Splitsko-dalmatinska županija, Osječko-baranjska županija i Grad Split. Nadalje, Skup su podržali i brojni sponzori, kako slijedi: 2 zlatna sponzora (Shimadzu d.o.o. i AlphaChrom d.o.o.), 2 srebrna sponzora (Kefo d.o.o. i Labena d.o.o.), 7 brončanih sponzora (Ledo d.d., V.I.A. – lab d.o.o., Kemolab d.o.o., Primalab d.o.o., CROTEH d.o.o., Hrvatska gospodarska komora i Ljekarne srce) i 22 ostala sponzora i donatora, uz 13 izlagača.

Cilj Skupa bio je tijekom dva dana okupiti eminentne stručnjake iz akademske zajednice, stručnjake iz industrije, farmaceute, liječnike i sve druge kojima su u fokusu interesa hrana i utjecaj hrane na zdravlje, u bilo kojem aspektu.

Ukupno 441 autor iz jedanaest zemalja (Austrija, Bosna i Hercegovina, Francuska, Grčka, Hrvatska, Italija, Makedonija, Poljska, Slovenija, Srbija i Turska) je kroz 5 plenarnih, 5 pozvanih, 24 usmena, 3 sponzorska i 95 posterskih priopćenja, organiziranih u sekcije: Nutricionizam, Dijetetika i dijetoterapija, Funkcionalna hrana i dodaci prehrani, Zdravstvena sigurnost hrane, Analiza hrane i Proizvodnja zdravstveno sigurne i nutritivno vrijedne hrane, obuhvatilo čitav ciklus hrane od tla, preko biljnih i animalnih sirovina do proizvodnje konvencionalne i funkcionalne hrane te dodatka prehrani, uz razmatranje smanjenja količine otpada kroz iskorištenje nusproizvoda prehrambene industrije. U okviru Skupa održan je u znanstveni seminar „MASLINOVO ULJE KAO FUNKCIONALNA HRANA“.

Plenarna predavanja na Skupu održali su ugledni predavači iz Hrvatske i inozemstva: Ibrahim Elmadfa (*University of Vienna, Department of of Nutritional Sciences, Beč, Austrija*), Patrick Rollin (*Université d'Orléans, Institut de Chimie Organique et Analytique – UMR-CNRS, Orléans, Francuska*), Jasmina Ranilović (*Podravka d.d., Koprivnica, Hrvatska*), Jelena Đugum (*Ministarstvo poljoprivrede Republike Hrvatske, Zagreb, Hrvatska*) i Nizama Salihefendić (*Medicinski fakultet Univerziteta u Tuzli, Tuzla, Bosna i Hercegovina*).

Sve informacije o Skupu dostupne su na web stranici Skupa http://www.ptfos.unios.hr/Hranom_Do_Zdravlja/. Organizacijski odbor zahvaljuje svih sudionicima,

11th International Scientific and Professional Conference
WITH FOOD TO HEALTH
 18. and 19. October 2018
 Split, Croatia

CONFERENCE REPORT

For the occasion of commemorating World Food Day, the 11th International scientific and professional conference *WITH FOOD TO HEALTH* was held in Split on 18th and 19th October 2018. The Conference was organised by the Faculty of Chemistry and Technology (University of Split, Croatia) in cooperation with the Faculty of Food Technology Osijek (University of Osijek, Croatia), Faculty of Technology (University of Tuzla, B&H), Faculty of Pharmacy (University of Tuzla, B&H), Association for Nutrition and Dietetics (B&H), Veterinary Institute Vinkovci, European Hygienic Engineering & Design Group – EHEDG (Germany), School of Medicine (University of Split, Croatia), Faculty of Agrobiotechnical Sciences Osijek (University of Osijek, Croatia), Faculty of Agriculture and Food Technology (University of Mostar, B&H), Chamber of Pharmacists of Tuzla Canton (Tuzla, B&H), Andrija Štampar – Association of People's Health, Croatian Food Agency and the Department of Biology (University of Osijek, Croatia).

The organisation of the Conference was held under the auspices of Ministry of Science and Education of the Republic of Croatia, Ministry of Agriculture of the Republic of Croatia, Ministry of Health of the Republic of Croatia, Ministry of Economy, Entrepreneurship and Crafts of the Republic of Croatia, University of Split, Josip Juraj Strossmayer University of Osijek, Croatian Academy of Engineering, Croatian Association of Nutritionists, Split-Dalmatia County, Osijek-Baranja County and City of Split. Furthermore, the Conference was supported by numerous sponsors, as follows: 2 golden sponsors (Shimadzu d.o.o. and AlphaChrom d.o.o.), 2 silver sponsors (Kefo d.o.o. and Labena d.o.o.), 7 bronze sponsors (Ledo d.d., V.I.A. – lab d.o.o., Kemolab d.o.o., Primalab d.o.o., CROTEH d.o.o., Croatian Chamber of Economy and Ljekarne srce) and 22 other sponsors and donors, with 13 exhibitors.

The aim of the Conference was to gather the established professionals from the academic community, professionals from the industry, pharmacists, physicians, and all others whose interest is focused on food and the effects of food on health, from any aspect, during the two days.

The total of 474 authors from nine countries (Austria, Bosnia & Herzegovina, France, Greece, Croatia, Italy, Macedonia, Poland, Slovenia, Serbia i Turkey) presented 5 plenary, 5 invited, 24 oral, 3 sponsor and 95 poster presentations, organised in the following sections: Nutrition, Dietetics and Diet Therapy, Functional Food and Dietary Supplements, Food Safety, Food Analysis, and Production of Safe Food and Food with Added Nutritional Value, which encompassed the entire range of food, from the soil, through plant and animal raw materials, to the production of conventional and functional and nutritional supplements, with considerations regarding the reduction in the amount of waste through the reclamation of the by-products of the food industry. As part of the Conference was held and the scientific seminar „OLIVE OIL AS A FUNCTIONAL FOOD“.

The plenary presentations were presented by renowned lecturers from Croatia and abroad: Ibrahim Elmadfa (*University of Vienna, Department of of Nutritional Sciences, Vienna, Austria*), Patrick Rollin (*Université d'Orléans, Institut de Chimie Organique et Analytique – UMR-CNRS, Orléans, France*), Jasmina Ranilović (*Podravka d.d., Koprivnica, Croatia*), Jelena Đugum (*Ministry of Agriculture of the Republic of Croatia, Zagreb, Croatia*) i Nizama Salihefendić (*University of Tuzla, Faculty of Medicine, Tuzla, Bosnia & Herzegovina*).

11th International Scientific and Professional Conference
WITH FOOD TO HEALTH
18. and 19. October 2018
Split, Croatia

All information about the Conference is available on the Conference web site http://www.ptfos.unios.hr/Hranom_Do_Zdravlja/. The Organizing committee would like to thank to all participants, auspices and sponsors for their support in organizing of the Conference, hoping for a re-cooperation at the 12th International scientific conference *WITH FOOD TO HEALTH*.
