About Strategos

Strategos publishes original scientific papers, scientific reviews, professional papers and preliminary reports, which are subject to at least two double-blind peer reviews and professional proofreading service. Each issue may also include book reviews, perspectives, opinion articles, commentaries and replies, symposium pieces, interviews, and annotated bibliographies.

Strategos is dedicated to a wide interdisciplinary area of military-, defence-, security- and intelligence- related sciences and arts. It is published in printed and electronic format.
