### Sažetak

Bibliografija – Raspad Jugoslavije: press clipping iz strane periodike je rezultat realizacije projekta NUBBiH, financiran od strane Federalnog ministarstva obrazovanja i nauke. Predmet istraživanja bila je građa „Press clipping iz strane periodike“ smještena na Odjeljenju specijalnih zbirki. Među stranom periodikom koja je bila predmet istraživanja nalaze se: The Times, The Independent, International Herald Tribune, The Guardian, The Sunday Times i druge. Istraživanje je obuhvatilo period od 1980. do 1992. godine. Bibliografija sadrži 618 bibliografskih jedinica.

**Ključne riječi:** bibliografija, Jugoslavija, 1980-1992. godina, strana periodika, Bosanski institut u Londonu, Federalno ministarstvo obrazovanja i nauke

Odjeljenje specijalnih zbirki Nacionalne i univerzitetske biblioteke BiH je nakon zatvaranja Bosanskog instituta u Londonu zaprimilo građu među kojom je bio i *press clipping* strane periodike. Pregledajući građu i razgovarajući s našim korisnicima došli smo do zaključka da naučnoistraživačka zajednica u Bosni i Hercegovini nije imala priliku istraživati građu na temu raspada Jugoslavije u stranoj periodici. Stoga smo pristupili istraživanju i izradi bibliografije kako bi naša akademska zajednica imala i pogled „izvana“ na političke prilike koje su tih godina zadesile Jugoslaviju, a samim tim i Bosnu i Hercegovinu.

Period obuhvaćen istraživanjem bio je od 1980. do 1992. godine. Među stranom periodikom koja je bila predmet istraživanja nalaze se novine i časopisi:

- Daily Express - dnevne novine, London
- Daily Mirror - dnevne novine, London
- The Daily Telegraph - dnevne novine, London
- The Economist - sedmični magazin - novine, London
- Europe
- The European - sedmične novine, London
- Financial Times - dnevne novine, London
- The Guardian - dnevne novina, London

- The Independent - dnevne novine, London
- International Herald Tribune, Paris
- New Statesman, sedmični časopis, London
- The Observer, sedmične novine, London
- The Sunday Telegraph, sedmične novine. London
- The Sunday Times, sedmične novine, London
- The Times, dnevne novine, London

Akademskoj zajednici u Bosni i Hercegovini, izradom bibliografije o raspadu Jugoslavije u stranoj periodici, omogućen je uvid u pomenutu građu i pristup relevantnim izvorima za druga istraživanja.

*Bibliografija Raspad Jugoslavije: press clipping iz strane periodike* sadrži 618 bibliografskih jedinica. Naslovi publikacija poredani su abecedno, a u okviru svakog izdanja redosljed jedinica je poredan hronološki prema godinama i datumu objavljivanja članka. Za formiranje bibliografske jedinice koristili smo sljedeće elemente: autor, naslov članka, naziv periodične publikacije, datum objavljivanja.

Izgled bibliografske jedinice:

**Prezime, Ime.** „Naslov članka: podnaslov“. *Naslov novina/časopisa*, Mjesec, dan, godina.
