

Foreword

Dear readers,

This is the second regular issue of the Croatian Journal of Education, the penultimate issue which will be prepared by the current editorial staff and editorial board. With the implementation of the new Regulations on Publishing established by our publisher the Faculty of Teacher Education, University of Zagreb, the term of office for editor-in-chief and all members of the editorial staff is defined for three years. According to the mentioned Regulations, Assistant Professor Tomislav Topolovčan, PhD, was elected new editor-in-chief with his term of office commencing October 1, 2019. Herewith, we thank all members of the editorial staff and council for their contribution to the quality of the journal; their names will most certainly be engraved in the history of educational sciences. Personally, it has been an honor to work with each member of the council, editorial board and editorial staff, and I am convinced that this cooperation will continue in a different form and hopefully under better conditions for scientific writing.

This issue contains submissions which aim to improve scientific theory and practice. Of the 10 selected papers, there are 7 original scientific papers, one review paper, one preliminary communication paper, and one professional paper. Four submissions come from Croatia, three from Serbia and one from Pakistan, Slovenia, and Turkey, respectively. The teaching methodology section is prevalent; however, all areas of our interest are represented. In anticipation of your valuable submissions, the editorial board and I personally wish you all the best.

Professor Ivan Prskalo, Editor-in-Chief

Uvodnik

Poštovani čitatelji,

pred vama je drugo redovito izdanje Hrvatskog časopisa za odgoj i obrazovanje, prethodnje koje će pripremiti redakcija i uredništvo u sadašnjem sastavu. Naime, primjenom novog Pravilnika o izdavaštvu koje je donio naš nakladnik Učiteljski fakultet Sveučilišta u Zagrebu mandat glavnog urednika i svih članova uredništva traje tri godine. Prema istom Pravilniku doc. dr. sc. Tomislav Topolovčan izabran je za glavnog urednika, a mandat mu počinje 1. listopada 2019. godine. Zahvaljujemo svim članovima uredništva i savjeta časopisa na doprinosu njegovo vrsnoći, s napomenom da su njihova imena zlatnim slovima utkana u povijest obrazovnih znanosti. Osobno mi je bila čast raditi sa svakim članom savjeta, uredništva i redakcije i siguran sam da ćemo tu suradnju nastaviti u nekom drugom obliku i nadam se boljim vremenima za znanstvenu publicistiku. Naravno i za ovaj broj su pripremljeni prilozi koji trebaju unaprijediti znanstvenu teoriju i praksu. Od 10 izabranih priloga 7 je izvornih znanstvenih članaka, jedan pregledni članak, jedno prethodno priopćenje i jedan stručni rad. Četiri priloga su iz Hrvatske, 3 iz Srbije, po jedan iz Pakistana, Slovenije i Turske. Metodička sekcija je najbrojnija, ali su sva područja našeg interesa zastupljena. Očekujući i dalje vaše vrijedne priloge, želim vam u ime uredništva i svoje osobno svako dobro.

Prof. dr. sc. Ivan Prskalo, glavni urednik
