

HARVEST OF MATURE POETICS BY MARINA KLJAJO-RADIĆ

Summary

The paper speaks about poetry inspired by love, but also dedicated to love and beauty – logos of essence and reason of human existence. Poetess' verses offer conformity evoking love and harmony of the world and a human. She realizes her verses by a selected, but completely simple word, used stylistically effective, creating impressive images and terms of deep meaning which emanate a particular lyric word, associatively rich and imaginative, new and authentic.

Key words: *verse, poetry, love, word, motive, style, language.*
