## OUR HOMES – THE FIRST CATHOLIC NEWSPAPER IN BOSNIA AND HERZEGOVINA AFTER THE SECOND WORLD WAR

### Summary

*The paper presents the initiation or reasons for making Our homes as the first catholic newspaper in Bosnia and Herzegovina after the Second World War. It gives a short review of the situation in journalism and catholic press before and after Our homes was published with a special reference to people who had initiated and preserved it, then to its prohibition and renaming into Holy heritage and renewed returning of the name. It also speaks about the publishing business of this publishing company. The paper endeavors to query the current state of Our homes and catholic press in general and give some guidelines for the future.*

**Key words:** *catholic press, Our homes, Holy heritage, columns, Franciscans.*
