PHRASEOLOGY IN THE CROATIAN LINGUISTIC ARTICLES

Summary

The paper speaks about phrases in the Croatian texts with linguistic themes. In such texts the most often phrases connections are “since”, “with regard to”, “regardless of”, “in relation to” etc. Colloquial phrases are very rare and literary-artistic even more rare. Phraseology of the Croatian linguistic texts is recognizable, what means that the Croatian linguists have made the technical phraseology too.

Key words: *phrases, linguistic texts, connections, technical phraseology.*
