## REVIEW OF NURSERY SCHOOL HANDBOOK BY JAN AMOS KOMENSKY

### Abstract

*Jan Amos Komensky was a czech educator on whose works modern pedagogy is based. One of his noticeable works is Nursery school handbook from 1632., on which premises the modern pre-school pedagogy was developed. This work isn't published nor translated to croatian language.*

*This article contains a short description of life of Jan Amos Komenski as well as the review of his above mentioned handbook.*
