

UVODNIK

Pred vama je drugi broj *Ekonomске misli i prakse* za 2020., koji posljednji put potpisujem kao glavni i odgovorni urednik. Od početka ove akademske godine u mirovini sam i prema odluci Senata Sveučilišta u Dubrovniku, od sljedećeg broja glavni i odgovorni urednik bit će dosadašnji mlađi urednik izv. prof. dr. sc. Nebojša Stojčić.

Ovdje bi bilo prikladno, makar u kratkim crtama, prisjetiti se početka izlaženja časopisa. U ratnoj 1991. na Fakultetu za turizam i vanjsku trgovinu donesena je odluka o pokretanju časopisa koji bi zamijenio dotadašnja neredovita izlaženja *Zbornika Fakulteta za turizam i vanjsku trgovinu*. Iduće godine izlazi prvi broj časopisa *Ekonomska misao i praksa*, čija prva dva broja kao glavni i odgovorni urednik potpisuje prof. dr. sc. Ivo Spremić koji je u vrijeme pokretanja časopisa bio dekan Fakulteta za turizam i vanjsku trgovinu. Taj prvi broj zajedno s mr. sc. Zorkom Paradžik uredio sam i složio pod granatiranjem i uzbunama u malom prostoru „Nik Tradea“ u ulici S. S. Kranjčevića. Pomno odabranim imenom časopisa koji je prihvatilo vodstvo tadašnjeg Fakulteta, na danu ideju i podlogu korice je dizajnirao akademski slikar Maro Mitrović te je časopis *Ekonomska misao i praksa* krenuo na putovanje u području znanstvene literature kojim, evo, već 29 godina uspješno plovi. Uređivanje časopisa u svojstvu glavnog i odgovornog urednika formalno sam preuzeo 1994. Časopis se od 1996. referira u *Journal of Economic Literature* i postupno se u hrvatskoj znanstvenoj literaturi etablirao kao jedan od vodećih časopisa u području ekonomije, ulazeći u više referentnih baza. Od 2018. referira se u bazi *WoS ESCI*, a zasigurno će se u skoro vrijeme povećati broj referirajućih baza kojima pripada časopis.

Koristim se ovom prigodom da se zahvalim na suradnji i pomoći u uređivanju časopisa svim dosadašnjim članovima uredništava, tajnicima uredništva, pomoćnim urednicima, mlađem uredniku, kao i brojnim autorima čiji su radovi objavljeni u časopisu.

Časopis ostavljam u rukama mlađih profesora s Odjela za ekonomiju i poslovnu ekonomiju, a siguran sam, na temelju dosadašnje suradnje s njima, da će *Ekonomska misao i praksa* i dalje uspješno ploviti pod vodstvom novoga glavnog i odgovornog urednika, što od srca želim.

Glavni i odgovorni urednik
prof. dr. sc. Đuro Benić

EDITORIAL

In front of you is the second issue of Economic Thought and Practice for 2020, which I am signing for the last time as the Editor-in-Chief. Since the beginning of this academic year, I have been retired and according to the decision of the Senate of the University of Dubrovnik, from the next issue the editor-in-chief will be the current junior editor, Nebojsa Stojcic, PhD, Assoc. Prof.

I take this opportunity to briefly recapture the beginning of the journal's publication. In the war year of 1991, the Faculty of Tourism and Foreign Trade decided to launch a journal that would replace the irregularly published *Proceedings of the Faculty of Tourism and Foreign Trade*. The first issue of the journal Economic Thought and Practice was published the following year. The first two issues were signed by prof. Ivo Spremić, PhD, who was the dean of the Faculty of Tourism and Foreign Trade at the time the journal was launched. Together with Zorka Paradžik, M.Sc., I edited and compiled that first issue under shelling and sirens sounding alert in a small office of "Nik Trade" in S. S. Kranjčević Street. With the carefully chosen name of the journal, which was accepted by the leadership of the Faculty, the cover page was designed by the academic painter Maro Mitrović based on the given idea and background, and the journal *Economic Thought and Practice* embarked on a journey in the field of scientific literature in which it has successfully been sailing for 29 years. I formally took over the editing of the magazine in 1994 as the Editor-in-Chief. The journal has been indexed in the *Journal of Economic Literature* since 1996 and has gradually established itself in the Croatian scientific literature as one of the leading journals in the field of economics, entering several reference databases. Since 2018 it has been indexed in the WoS ESCI database, and the number of reference databases to which the journal belongs will certainly increase in the near future.

I would like to take this opportunity to thank all previous members of the editorial board, editorial secretaries, assistant editors, junior editor for their cooperation and assistance in editing the journal, as well as numerous authors whose papers have been published in the journal.

I leave the journal in the hands of younger professors from the Department of Economics and Business Economics. Based on previous cooperation with them, I am sure that Economic Thought and Practice will continue to navigate successfully under the new Editor-in-Chief, and I wish it from the bottom of my heart.

Editor-in-chief
