

## UVODNIK

### EDITORIAL

“I sada nešto sasvim intimno. Iz raznih razloga preuzeo sam uredništvo nad časopisom koji je pokrenuo i uspješno vodio jedan od bardova hrvatske znanosti o turizmu. Pokušat ću taj posao obaviti najbolje što umijem i znam, u mislima na dragog profesora koji mi je omogućio ovu poziciju, jer je pokrenuo ovaj časopis.”

Ovako sam napisao kada sam preuzimao vođenje časopisa od njegovog osnivača, prof. Vukonića, koji se odlučio povući s mjesta glavnog urednika. Uspjeli smo časopis sačuvati i produžiti njegovo trajanje. Unatoč nizu nepovoljnih okolnosti i poteškoća, časopis je još uvijek tu, zahvaljujući prije svega izuzetnim suradnicima koji su u tim okolnostima obavili sjajno svoj posao. Tu je prije svega pomoćnik glavnog urednika, kolega Ivor Altaras Penda, lektori, prevoditelji, osoblje tiskare i na kraju, ali najvažniji, autori, koji su svojim naporima uspjeli održati i unaprijediti časopis, bar se nama tako čini.

I sada je red došao na druge. Pozdravljam na čelu redakcije kolegu Antu Samodola, kojem želim puno sreće u dalnjem razvoju časopisa.

Mladen Knežević

“And now, an intimate confession. I have taken up the editing position of this journal, initiated and successfully managed by one of the bards of Croatian tourism science, for many reasons. I will try to do it to the best of my abilities and knowledge, keeping in mind the dear professor who has made this position possible for me by initiating this journal.”

This is what I wrote when I took over editing of this journal from its founder, professor Vukonić, who had decided to step down. We were successful in maintaining and prolonging the journal's duration. Despite numerous adverse circumstances and difficulties, the journal lives on, primarily owing to extraordinary associates who did amazing work under these circumstances. First and foremost, this is Assistant Editor-in Chief Ivor Altaras Penda, reviewers, translators, printing house staff and of course, most importantly, the contributors, the authors, who maintained and enhanced the quality of the journal with their efforts, at least this is how it seems to us.

Now it is time for others to take the helm. I take this opportunity to welcome the new Editor-in-Chief, Ante Samodol, to whom I wish prosperity in further development of the journal.
