who together will be the Editors of the publication of preprints and proceedings.

Under the patronage of the Italian National Research Council (C. N. R. — Comitato per la Chimica) the papers and discussions will be published in a special issue of »LA RICERCA SCIENTIFICA« which will appear shortly after the end of the meeting. Members of the Symposium are given the opportunity to receive in advance the preprints at a moderate price.

The papers are accepted in English, French, German and Italian.
