

Dear readers,

we are proud to present the new issue of the scientific and professional journal *Education for Entrepreneurship – E4E* which also includes second part of the articles from the jubilee *10th International Conference on Entrepreneurial Learning (ICEL 10)*, as well as other articles that cover the areas of economics, entrepreneurship, management and education for entrepreneurship.

This issue had been published in electronic form only. A total of 13 articles has been published in this issue, of which 2 are original scientific papers, 3 preliminary communication, 4 review articles and 4 professional papers. This issue covers a variety of topics in entrepreneurship such as women's entrepreneurship, social entrepreneurship, finance, entrepreneurship in small and medium enterprises, but also other topics related to marketing and education for entrepreneurship. Articles published in the journal are indexed in: ERIH PLUS – European Reference Index for the Humanities and the Social Sciences, ROAD – Directory of Open Access Scholarly Resources, CEJSH – Central European Journal of Social Sciences and Humanities, J-Gate and Index Copernicus - ICI Journals Master List.

The quality of the journal depends on the authors, the topics they research and the reviewers. Therefore, we would like to thank all the authors who, by selecting our journal, have contributed to its development, as well as the distinguished national and international reviewers of the published papers who have judged the quality of the papers conscientiously and professionally. We would also like to thank the Editorial Board, the proofreaders, the graphic designers and everyone else who has contributed to the realization of this issue of the journal.

We invite you to continue cooperation in scientific and professional research and its application in the field of entrepreneurship education, entrepreneurship, management, but also a wider area of the business economics. In doing so, we jointly promote the exchange of ideas between science and practice and contribute to the academic and professional community as well as to the future development of the journal *Education for Entrepreneurship – E4E*.
