

## UPUTE AUTORIMA

*Narodna umjetnost* je časopis koji na hrvatskom i engleskom jeziku objavljuje rade s područja etnologije i kulturne antropologije, folkloristike, filologije, etnomuzikologije, etnokoreologije, ali i drugih srodnih disciplina. Časopis izlazi dvaput godišnje. Rok za predaju rada za prvi broj u godini je 31. prosinca, a za drugi 1.srpna.

U obzir za objavljivanje dolaze samo radovi koji nisu prethodno objavljeni niti se nalaze u recenzijском postupku za neki drugi časopis te se od autora očekuje da svojem radu prilože izjavu u tom smislu. Radovi se zaprimaju isključivo u elektroničkom obliku, na adresu <http://hrcak.srce.hr/ojs/index.php/nu>. Uredništvo donosi odluku o pokretanju recenzentskog postupka, a članak se objavljuje na osnovi pozitivnog mišljenja uredništva i dvaju recenzenata. Uredništvo može sugerirati poboljšanje i preradu rukopisa a može i zatražiti mišljenje trećeg recenzenta. Uredništvo pregledava i završnu verziju rukopisa te donosi konačnu odluku o kategoriji članka. Tiskanje članka u *Narodnoj umjetnosti* podrazumijeva i njegovo objavljanje u elektroničkom obliku.

Preporučeni opseg rada je do 25 kartica (uključujući sažetke, bilješke, literaturu i grafičke priloge), napisani fontom Times New Roman, veličine 12, s proredom 1.5. Na prvoj stranici rada valja navesti sljedeće podatke: puni naslov i podnaslov članka, ime i prezime autora/autorice, naziv i adresu institucije u kojoj je autor/ica zaposlen/a (ili kućnu adresu) te adresu elektroničke pošte.

Radovima treba priložiti sažetke na hrvatskom i engleskom jeziku, opsega do 200 riječi, te popis ključnih riječi (do 5). Pri upućivanju na druge tekstove ili njihovu citiranju, izvor na koji se referira treba navesti u zagradi unutar teksta: npr. (Giddens 2005: 34–35) ili (Williams 2003). Bilješke (fusnote) služe za dodatna objašnjenja, komentare ili digresije te se navode na dnu pojedine stranice. Sve stranice moraju biti numerirane. Slikovne priloge, glazbene primjere i tabele treba predati u zasebnom dokumentu, uz precizne upute na koja mesta u tekstu oni trebaju doći. U popis literature (bibliografiju) na kraju članka treba uvrstiti sve rade navedene u tekstu, abecednim redom prema prezimenima autora te kronološkim redom za rade istog autora. Literatura se navodi u skladu s priloženim modelom:

## INSTRUCTIONS FOR AUTHORS (FOR MANUSCRIPTS IN ENGLISH)

*Narodna umjetnost* is an international biannual peer-reviewed journal which publishes articles in English and Croatian in the fields of ethnology and cultural anthropology, folklore studies, philology, ethnomusicology, ethnochoreology and other similar disciplines. Manuscripts may be submitted for consideration by 31 December for the first issue of the following year, and by 1 July for the second issue. *Narodna umjetnost* publishes only previously unpublished research not under review for another journal. When submitting a manuscript, authors are required to provide a statement to this effect. Articles should be submitted in electronic form via the journal webpage <http://hrcak.srce.hr/ojs/index.php/nu>. Submissions are subject to an initial screening by the Editorial Board. Having passed this step, articles are sent out for two reviews. The decision to publish is made by the Editorial Board, taking into account the recommendations of the reviewers. The Editorial Board may suggest improvements and changes to the manuscript and may send the submission for a third review. Upon reception of the final version of the manuscript, the Editorial Board will check it and decide on a categorization. *Narodna umjetnost* is published in both print and online version. Recommended manuscript length is no more than 25 standard pages of 1800 characters with spaces per page, which includes the abstracts, notes, references and figures/tables. Times New Roman size 12 should be used, with 1.5 line spacing. The first page should contain: full title and subtitle, author name(s) and affiliation(s), work (or home) address, and email address(es).

The articles should include two 200 word abstracts, one in Croatian and one in English, and be accompanied by up to 5 keywords in both languages. In-line references should appear in brackets in the running text, e.g. (Giddens 2005: 34–35) and (Williams 2003). Notes should be used for additional explanations, comments or digressions and should appear as footnotes at the bottom of a page. All pages should be numbered. Figures, music examples and tables should be submitted in a separate document, with precise instructions where they should appear in the text. The reference list at the end should include all the references mentioned in the text, ordered alphabetically according to the last names of the authors, and chronologically for the same author. References should follow the following style:
