TEDI journal is published on Internet free of charge and is cited as open access journal. Manuscripts are present in full content as PDF files with the right of users to "read, download, copy, distribute, print, search, or link to the full texts of these articles" under assumption that full reference to the TEDI source is acknowledged.

Authors are encouraged to discuss the practical implications of work reported. Research, review and explanatory papers, case studies, essays, and reviews of books, events, collections, installations, etc. are also encouraged.

All submissions to the journal undergo a peer review process. This is coordinated by the TEDI editorial team working with a panel of high-profile, respected experts in many aspects of textile technology and science. The editorial panel validate and enhance the status of all work published.

TEDI, International interdisciplinary journal of young scientists from the Faculty of Textile Technology, is international journal addressing primarily young scientist from a diverse range of disciplines in which textile plays an important role, to exchange their knowledge and ideas.

International interdisciplinary journal TEDI supports publishing interdisciplinary papers related to textiles: history and culture of clothing, fashion theory and sociology, textile design and fashion, textile conservation and restoration, textile processing and technology, textile chemistry, color, nanotechnology, forensics, environment protection, ecology etc.

Riječ glavne urednice!

Časopis TEDI koji već godinama prikuplja materijale o tehnologiji i dizajnu mladih znanstvenika svake godine ima iskorak prema nekim novim znanstvenim i umjetničkim disciplinama.

Novi broj časopisa TEDI objedinjuje umjetničke i znanstvene radove, te kao pravi interdisciplinarni časopis popularizira znanost i njenu sinergiju sa društvenim, humanističkim i umjetničkim područjima koji se sjedinjuju na području tehnologije i dizajna kroz ogroman broj predivnih i zanimljivih tema.

Nadamo se da ćete uživati u radovima naših mladih suradnika, od kojih su mnogi nagrađivani mladi znanstvenici i umjetnici u Republici Hrvatskoj i inozemstvu, a velika mi je radost naglasiti kako u ovom broju objavljujemo i naš 100-ti prilog!

Hvala vam svima što godinama šaljete svoje radove i pratite naš časopis, jer on postoji zbog vas.

U Zagrebu, 25. Siječnja 2021-2022. godine
Izv. prof. dr. dr. sc. Iva Rezić
