

ERRATUM

U prošlom broju časopisa (svezak 8, broj 1) pogreškom Uredništva netočno je navedeno autorstvo članka “Organi: nekorišteni izvor” (<https://doi.org/10.46672/aet.8.1.4>), tj. izostavljen je suautor.

Rad je nastao u suautorstvu Waltera E. Blocka i Tristina Gasparda. T. Gasparda dodali smo nakon objave tiskanog izdanja kao suautora rada na našim web stranicama.

In the last issue of the journal (Volume 8, Issue 1), due to an error made by the Editors, the authorship of the article “Organs: An Untapped Source” (<https://doi.org/10.46672/aet.8.1.4>) was incorrect since the article’s co-author was omitted.

The article was co-authored by Walter E. Block and Tristin Gaspard. We added Tristin Gaspard as the article’s co-author on our website after the publication of the print version of the journal.
