

## It's About People 2023: Call For Papers

Alma Mater Europaea - ECM and the European Academy of Sciences and Arts invite you to participate in the 11th academic conference It's About People, between 10 and 17 March 2023, that will be dedicated to Social and Technological Development in Service of Security and Dignity.

Scholars and policy and higher education leaders can present their research and views at The 11th Annual Conference of Europe's Sciences and Arts Leaders and Scholars It's About People 2023 by applying on the [conference website](#) by **10 November 2022**.

The event's main theme is **Social and Technological Development in Service of Security and Dignity**. Contributions are not restricted to the main theme. Panels on any scholarly discipline are welcome.

»In selecting the theme, this event seeks to explore the possibility of advancement of society in terms of broader socio-economic development and technological innovation and change. In uncertain times, proliferating security and serving

human dignity are paramount. The 11th It's About People conference will bring together leading European scholars and thought leaders from diverse disciplines who will share broad perspectives, knowledge, skills, and communication in an educational setting. We envision discussions that will include opinions from around the globe,« announced Ludvik Toplak, president of Alma Mater Europaea.
