OUR CENTRE OF EXCELLENCE FOR DRUG DISCOVERY IN CROATIA SHOULD BE THE CENTRE OF YOUR ATTENTION

With our recent acquisition in Zagreb, GSK's commitment to attract the best scientific talent in the industry has never been more resolute. GSK's world renowned Centers of Excellence in Drug Discovery attract and grow the world's best R&D talent. And now we have established one in Zagreb, Croatia.

Dedicated exclusively to macrolide drug discovery and development, we will develop new medicines to treat human diseases, and forge relationships with

independent research and academic groups during this important work.

We are looking for the best scientific talent in the chemistry field to help us in this new area. So join us in this significant venture. It will be a new step for both of us.

Please contact us at research-centre.zagreb@gsk.com

GSK is proud to promote an open culture, encouraging people to be themselves and giving their ideas a chance to flourish. GSK is an equal opportunity employer.

Together we can make life better.
