Statement of Retraction: Research on the coordinated development of environmental protection and industry in poverty alleviation under uncertainty

Following publication of the above article, it was brought to our attention that the contents overlap significantly with an unpublished manuscript, authored by a third party. It is unclear how the authors of this article obtained the unpublished manuscript. The authors acknowledge that they did not collect the data or conduct the analysis as reported in the article.

We have been informed in our decision-making by our policy on publishing ethics and integrity and the COPE guidelines on retractions. The retracted article will remain online to maintain the scholarly record, but it will be digitally watermarked on each page as “Retracted.”
