### Venue

The MATH/CHEM/COMP 2005 (MCC'05) will be held from June 20-25, 2005, in Dubrovnik in the hotel Lero, Iva Vojnovića 14. Dubrovnik is situated on Adriatic Coast at the far south of the Republic of Croatia, and due to its beauty and harmony it is designated by UNESCO as a world heritage.

### Conference Scope

The MATH/CHEM/COMP'05 is the 20<sup>th</sup> in the series of the MATH/CHEM/COMP meetings which started in 1986. Any subject pertinent in an interdisciplinary way to mathematics and/or computer sciences and chemistry and related sciences is a legitimate topic to be presented at the MATH/CHEM/COMP'05. The meeting is open to all aspects of current research in the applications of computer modeling, combinatorics, graph theory and topology to any area of chemistry, physics, materials and life sciences.
