

Foreword

Dear readers, authors and associates,

At the end of this calendar year, we proudly present the last regular edition of the Croatian Journal of Education in 2024. This year has been challenging, but at the same time successful and fruitful. The persistence, commitment and cooperation of all the people involved in the journal have helped us bring to a close the 26th Volume of our journal, and continue promoting scientific and professional excellence in the area of education.

This edition contains five original scientific papers, one preliminary communication and four very interesting review papers, all of which make us very content and proud. The diversity and quality of these papers testify to an international and interdisciplinary dimension of our journal. The papers were written by authors from Turkey, Malaysia, China, Serbia and Croatia, which proves our openness and recognizability at the global level.

We are grateful to all the authors, reviewers, associates and the members of the editorial board for their hard work and contribution, and for maintaining a high level of quality of our journal throughout this year. Your dedication and expertise are the foundation of our success and continuity.

A new year is ahead of us, presenting new challenges and opportunities for growth. We are looking forward to working on Volume 27 of the journal and strengthening the cooperation with the current and future partners.

In the holiday spirit, we wish pleasant and peaceful holidays and a happy and successful New Year 2025 to all our associates, authors and readers.

The editorial board

Uvodnik

Dragi čitatelji, autori i suradnici,

na kraju ove kalendarske godine s ponosom predstavljamo posljednje redovno izdanje Hrvatskog časopisa za odgoj i obrazovanje u 2024. godini. Godina koja je iza nas bila je izazovna, ali istovremeno uspješna i plodonosna. Ustrajnost, predanost i suradnja svih uključenih omogućili su nam da uspješno privedemo kraju 26. volumen našega časopisa, čime nastavljamo promicanja znanstvene i stručne izvrsnosti u području odgoja i obrazovanja.

U ovom broju donosimo pet izvornih znanstvenih radova, jedno prethodno priopćenje te četiri vrlo vrijedna pregledna rada, koji nas ispunjavaju posebnim zadovoljstvom. Raznovrsnost i kvaliteta radova odražavaju međunarodnu i interdisciplinarnu dimenziju našega časopisa. Radovi dolaze iz Turske, Malezije, Kine, Srbije i Hrvatske, čime potvrđujemo našu otvorenost i prepoznatljivost na globalnoj razini.

Posebno zahvaljujemo svim autorima, recenzentima, suradnicima i članovima uredničkoga tima na njihovom trudu i doprinosu u održavanju visoke kvalitete časopisa tijekom protekle godine. Vaša predanost i stručnost temelj su našega uspjeha i kontinuiteta.

Pred nama je nova godina, novi izazovi i prilike za napredak. S veseljem se radujemo radu na 27. volumenu časopisa i produbljivanju suradnje s postojećim i novim partnerima.

U blagdanskom duhu želim svim suradnicima, autorima i čitateljima mirne i vesele blagdane te uspješnu i sretnu novu 2025. godinu.
