

**ADRIATIC INTERNATIONAL CONFERENCE
ON NUCLEAR PHYSICS**

**FUNDAMENTAL PROBLEMS
IN
HEAVY-ION COLLISIONS**

**Hvar, Adriatic Coast, Croatia, Yugoslavia
September 24-29, 1984**

CONTRIBUTED PAPERS

**Edited by N. Cindro
Z. Basrak
R. Čaplar**

Zagreb, September 1984

The Adriatic International Conference on Nuclear Physics, Fundamental Problems in Heavy-Ion Collisions, is organized by the Nuclear Spectroscopy Laboratory, Department of Physics, Rudjer Bošković Institute, Zagreb, Croatia, Yugoslavia.

The Conference is sponsored by

The Union of Scientific Communities of Yugoslavia
(Savez zajednica za naučne djelatnosti u SFRJ)

The Scientific Community of the Republic of Croatia
(Republička zajednica za znanost SR Hrvatske - SIZ I)

The Union of Societies of Mathematicians, Physicists
and Astronomers of Yugoslavia
(Savez udruženja matematičara, fizičara i astronoma
Jugoslavije)

Internationales Büro der Kernforschungsanlage Jülich,
Jülich, F.R. Germany

Conference organization

Nikola Cindro, Rudjer Bošković Institute, Chairman

Walter Greiner, University of Frankfurt,
Scientific Adviser

Roman Čaplar, Rudjer Bošković Institute, Zagreb,
Secretary

Zoran Basrak, Rudjer Bošković Institute, Zagreb

Milorad Korolija, Rudjer Bošković Institute, Zagreb
