*Instructions for Contributors*

All submissions should be made through our online submission system: <https://ojs.srce.hr/index.php/cjp/about/submissions>. Submissions must be in English and formatted to be double-spaced with suitably wide margins, an A4 page size, and automatic page numbering.

Articles are normally no longer than 8,000 words of main text including bibliography. The Journal will consider longer papers, but, once these limits are exceeded, authors should bear in mind the editorial policy that the acceptance bar raises with increasing length.

Manuscripts should be compiled in the following order: cover page; title; abstract (not exceeding 200 words); keywords (3 to 6); main text; appendices (as appropriate); references.

All the authors of a paper should include their full names, affiliations, postal addresses, telephone and fax numbers and email addresses on the cover page of the manuscript. If a paper is co-written, one author should be identified as the Corresponding Author. The cover page must be submitted as a separate document. All submitted manuscripts must be prepared for blind review, with revealing acknowledgements and self-identifying references removed.

Sources are cited in the text by the author's last name, the publication date of the work cited, and a page number if needed, e.g. (Barber 2007: 324). Full details appear in the reference list in which the year of publication appears immediately after the author's name:

The publication of a manuscript in the *Croatian Journal of Philosophy* is expected to follow standards of ethical behavior for all parties involved in the publishing process: authors, editors, and reviewers. The journal follows the principles of the Committee on Publication Ethics (<https://publicationethics.org/resources/flowcharts>).
