

## 4<sup>th</sup> INTERNATIONAL SCIENTIFIC CONFERENCE ON KINESIOLOGY

# “SCIENCE AND PROFESSION – CHALLENGE FOR THE FUTURE”

Opatija, Croatia, September 7 – 11, 2005  
Grand Hotel Adriatic

**Organiser:**

Faculty of Kinesiology, University of Zagreb, Croatia

**In cooperation with:**

Faculty of Sport, University of Ljubljana, Slovenia

**Under the patronage of:**

The Croatian Academy of Sciences and Arts

**Conference chairpersons:**

Prof. Dragan Milanović, President of the Organising Committee  
Prof. Franjo Prot, President of the Scientific Committee

**Aim:**

To provide a forum for the latest research, theoretical and applicative insights, findings and experiences from the vast field of kinesiology (or sport sciences) in order to (re)define the role of kinesiology, the science on human movement and exercise. All that in the light of new scientific breakthroughs such as the human genome investigations, application of new technologies, revised educational concepts and, above all, the urgent need to find more effective and appealing ways of health preservation and well-being enhancement by means of sport and exercise in a battle against ever increasing aggressive and deteriorating influence of the hectic modern way of living.

**Participants:**

Kinesiologists (or sport scientists) – from academicians, researchers, lecturers to practitioners like PE teachers, coaches, physicians (esp. specialists in sports medicine), physiotherapists and others, as well as graduate students (Ph.D. and M.Sc. degrees) and experts from cognate and adjacent scientific fields from all over the world. Policy makers, media representatives and service providers in sport and exercise are welcome as well. The presentation of the latest information is expected ranging from basic principles to practical application. Each author is free to choose the most suitable approach within the scope of the Conference topics.

**Programme:**

The conference programme includes opening and closing ceremonies, plenary sessions with invited speakers (10-12), section sessions with introductory speakers and oral presentations of accepted original works and discussion, poster presentations with debates, and a round table.
