

Whether you are a researcher, student, or other individual interested in paleodontology and bioarchaeology, the IAPO welcomes you as a member.

The IAPO provides a wealth of ways for you to further your career in paleodontology and bioarchaeological research.

IAPO members receive the Bulletin of the International Association for Paleodontology via e-mail.

Members are eligible to join IAPO Projects & Networks, where they can network with investigators in similar areas of paleodontology and bioarchaeology to exchange information and collaborate on specific areas of research.

Members receive discounts on meetings organized by the International Association for Paleodontology.

IMPORTANT

Applicants who complete the online membership registration form at www.paleodontology.com until 31st December 2010 are not obliged to pay the membership fee for 2010.
