

## NAPUTCI AUTORIMA

Časopis PRILOZI INSTITUTA ZA ARHEOLOGIJU U ZAGREBU/CONTRIBUTIONS OF INSTITUTE OF ARCHAEOLOGY IN ZAGREB donosi izvorne znanstvene i pregledne radove te recenzije na području ARHEOLOGIJE i srodnih društveno-humanističkih znanosti.

Rad treba pisati jasno i jezgrovito. Naslov članka mora biti kratak i informativan, u načelu sastavljen od ključnih riječi. Pored teksta rad mora sadržavati: nacrtak (apstrakt), ključne riječi, bilješke, potpise ilustracija, autorske nizove i skraćenice. Uz tekst autor prilaže ilustracije. Tablice, tabele, karte i slike moraju biti razumljive i bez čitanja teksta. Prilažu se posebno s naznakom u tekstu gdje bi se u kontekstu trebale pojaviti, a uz njih se posebno prilažu i opisi. Fotografije, crteži i zemljovidni, tj. tematske karte bit će usklađene u dogovoru s Uredništvom. Pojedini autor može sudjelovati (u određenom svesku časopisa) najviše s jednim rukopisom. Izuzetak su radovi u kategoriji recenzije.

Rad se u načelu objavljuje na hrvatskom jeziku, a prevodi se u cjelosti na jedan od svjetskih jezika u dogovoru s Uredništvom.

Bibliografska jedinica se u tekstu citira tako da se stavlja u zagradu na mjesto na gdje slijedi u tekstu. Uz prezime navodi se godina izdanja te stranice ili brojevi ilustracija npr. (Minichreiter 2002, 11, 13-16, karta 2, T. 6,1, T. 8,12, sl. 2,2). Na kraju rada je popis literature prema abecednim nizom (npr. Minichreiter K., 2002, Ukopi stanovnika u naseljima starčevačke kulture u Hrvatskoj, *HistriaAntiq* 8, Pula, 63-72.). Kratice koje se koriste u radu moraju odgovarati kraticama navedenim u časopisu *Bericht der Römisch-Germanischen Kommission des Deutschen Archäologischen Instituts* 73, Frankfurt/Main-Berlin 1992. Ako citirani časopis nije naveden, iznimno se navode kratice korištene u ranijim brojevima časopisa PRILOZI INSTITUTA ZA ARHEOLOGIJU U ZAGREBU.

Rad se upućuje Uredništvu u jednom ispisu s velikim (dvostrukim) proredom, na jednoj strani papira formata A-4 s bjelinom od 20 mm sa svake strane teksta (tzv. Kartice = 1800 znakova). Uz ispis, obavezno se predaje CD s tekстом rada i ilustracijama.

Odluka o prihvaćanju te kategorizaciji rada donosi se na osnovi prosudbe najmanje dva recenzenta, a konačnu odluku o prihvaćanju i kategorizaciji rada donosi glavni i odgovorni urednik.

Svi radovi podliježu obradi Uredništva u smislu općih, stručnih i publicističkih normi, kao i posebnih pravila časopisa PRILOZI INSTITUTA ZA ARHEOLOGIJU U ZAGREBU. Procijeni li glavni urednik da postoje veći propusti u sadržaju, načinu prezentiranja ili nedostatci u strukturi, rad će biti, uz primjedbe upućen autoru na preinake.

Autor je u potpunosti odgovoran za sadržaj svog rada.

## INSTRUCTIONS FOR AUTHORS

The journal PRILOZI INSTITUTA ZA ARHEOLOGIJU U ZAGREBU/CONTRIBUTIONS OF INSTITUTE OF ARCHAEOLOGY IN ZAGREB publishes original scientific and review articles and book reviews in the field of ARCHAEOLOGY and related social sciences and humanities.

Articles should be written clearly and concisely. The title must be brief and informative, and generally it should contain the key words. All articles should include: an abstract, key words, notes, illustration legends, bibliographic references and abbreviations. Articles should be accompanied by illustrations. All plates, charts, maps, photographs and drawings must be comprehensible even without reading the text. They should be submitted separately, and each should contain a legend identifying it and an indication of its placement within the text. Photographs, drawings and maps, i.e. thematic maps are subject to adjustments following an agreement between the author and the editorial board. A single author may contribute only one manuscript in a single journal volume. This rule does not apply to book reviews.

In general, articles are published in the Croatian language, along with their translation into one of the major international languages, as agreed with the editorial board.

Bibliographic references in the text should be placed within parentheses and contain the author's surname, year of publication and page or illustration number, e.g. (Minichreiter 2002, 11, 13-16, map 2, P. 6,1, P. 8,12, fig. 2,2). At the end of the paper references should be listed alphabetically (e.g. Minichreiter K., 2002, Ukopi stanovnika u naseljima starčevačke kulture u Hrvatskoj, *HistriaAntiq* 8, Pula, 63-72.). If abbreviations are used in the bibliographic references, they should correspond to the abbreviations listed in the journal *Bericht der Römisch-Germanischen Kommission des Deutschen Archäologischen Instituts* 73, Frankfurt/Main-Berlin 1992. If the quoted journal is not listed in it, exceptionally abbreviations used in previous issues of CONTRIBUTIONS OF INSTITUTE OF ARCHAEOLOGY IN ZAGREB may be used.

Articles should be sent to the editorial board in one copy, typed in double spacing, on one side only of white A4 size paper, with a margin of 20 mm on each of the four sides of the page (so-called 'author's page' = 1800 characters). In addition to the print-out, CD containing the text and illustrations should also be submitted.

The decision on whether an article is to be accepted or not and on its appropriate categorisation shall be made on the basis of an evaluation made by not less than two reviewers. The final decision on the publication and categorisation rests with the editor-in-chief.

All articles are subject to editorial interventions as regards the general, professional and publishing standards, and some special rules prescribed by the journal CONTRIBUTIONS OF INSTITUTE OF ARCHAEOLOGY IN ZAGREB. Should the editor-in-chief determine that there are major deficiencies in the content, presentation or structure of the article, the paper and relevant comments shall be sent to the author for modification.

Authors bear full responsibility for the content of their articles.
